Omg Emails from Tom Malcolm Rothwell,2021-07-15 Thomas was a science student and a committed Christian Now 20 years later he is having serious doubts about his Christian beliefs He has contacted me as his former university chaplain in the hope I can answer some of his questions In a series of emails he asks for example whether Adam and Eve actually existed whether the Christmas stories are historically true He also wants to know about God Does God intervene in human lives if so where does that leave the laws of science Where is God Can God be described Does God answer prayer What are we doing when we pray Rothwell is trying to make sense of the Christian faith in this scientific world in which we live Some will find the book too radical others will find it liberating and hopefully most will find it stimulating In any event there is plenty of material for discussion and dialogue

**THE TRANSFERENCE OF SPIRITS** Samson Ajilore,2015-12-19 The Bible speaks differently of the transference of spirits from the secular world It speaks of the transference of the anointing of the Holy Spirit from one person to another person or people This will result in the person or people to whom the spirit has been transferred walking in similar or even greater manifestation of the Spirit than the person from whom it was transferred We see this in Elisha who did twice as much miracles as his spiritual father Elijah after he received the mantle or transference of his twain spirit The Bible records that exactly twice as much miracles were done in the ministry of Elisha to that of Elijah Elijah's last miracle the parting of River Jordan was Elisha's first Consequently he took off from where his spiritual father had stopped and advanced further beyond him
