**Understanding Children's Spirituality** Kevin E. Lawson, 2012-03-22 How important is childhood in the spiritual formation of a person How do children experience God in the context of their lives as they grow What does God do in the lives of children to draw them to himself and help them grow into a vital relationship with him How can adults who care about children better support their spiritual growth and direct it toward relationship with God through Jesus Christ These are critical questions that church leaders face as they consider how best to nurture the faith of the children God brings into our lives In this book over two dozen Christian scholars and ministry leaders explore important issues about the spiritual life of children and ways parents church leaders and others who care about children can promote their spiritual formation

**Bringing Heart and Mind into Storytime** Heather McNeil, 2022-04-01 Learn how to use children's books during storytime to approach sensitive topics and increase children's social emotional wellness and how to create storytimes that are engaging participative and FUN The emotional challenges many children experience consume the time of teachers exhaust parents and sometimes lead children toward behaviors that prohibit social and academic success Storytime to the rescue Library storytimes prepare children for kindergarten storytimes at home and in preschools allow teachers parents and children to think and talk about empathy and the importance of honoring your own and others feelings In Bringing Heart and Mind into Storytime Heather McNeil teaches librarians and teachers how to use books to open conversations with children to teach such concepts as patience tenacity kindness and teamwork McNeil shares research on brain development social emotional learning and the importance of play but she also emphasizes maintaining the fun of storytime She recommends songs action rhymes games and crafts that contribute to fun and healthy storytimes Extensive lists of recommended books will help readers find the right ones for their audience *The Church School Journal*, 1895

**Christ in the Classroom** Jared Dees, 2018-09-07 If the goal of catechesis is to cultivate an encounter with Christ why do religious educators spend so much time focused almost exclusively on ideas and not experiences The reason is that many have never been shown a method that inspires the heart while also instructing the mind Jared Dees creator of the popular website The Religion Teacher shows how applying the steps of lectio divina to teaching can reorient religious education toward encountering the person of Christ rather than merely sharing information about him In Christ in the Classroom Catholic author and speaker Jared Dees applies the five steps of lectio divina reading learning meditation prayer contemplation and action to the ministry of catechesis He offers teachers and catechists a practical framework for preparing lessons that broaden the focus of teaching from mostly intellectual learning to also encountering Christ in prayer reflection and action Using this method students and catechists come to know intimately the person of Christ at the same time that they are learning the tenets and traditions of the Church Dees shares stories of success and failure from his own teaching experience and he offers dozens of field tested strategies tactics and teaching methods to effectively integrate the steps of lectio divina into the classroom or other catechetical setting

Outfitted with these tools both experienced and new religious educators will feel confident in their ability to teach effectively and lead their students to a life changing encounter with Jesus *Living Scripture* Mitch Finley,1990-10-01 *Living Scripture* captures the essence of each week s Scripture readings in an easy to read easy to use format **Subject Guide to Children's Books in Print** ,1984 *Saving the Ants* Ruth Gilmore,2001 Easy to use children s sermons for Year A of the Revised Common Lectionary *Show Them Jesus* Jack Klumpenhowe,2014-04-28 You can challenge the culture of low stakes low expectations teaching and make a radical ministry pledge to do nothing less than teach and treasure the Good News of Jesus Let Jack Klumpenhowe show you how to put the gospel front and center every day in your teaching of children and youth His how to gospel centric approach will complement **Missional Youth Ministry** Brian Kirk,Jacob Thorne,2011-06-07 The mainline church in the past few decades has witnessed a ghettoization of youth within the church segregating them off to a particular room perhaps in the basement where they engage in ministry in isolation from the rest of the congregation They are assigned a youth minister or youth director often the staff person with the least experience freeing up the real ministers to serve the adults in the church They seldom serve on church boards or governing bodies in anything other than a cursory manner Their leadership in worship is limited to one special Sunday a year their activities seen more as programming than ministry and their place often described as the church of the future rather than the body of Christ in the here and now For decades youth ministry in mainline churches has been program driven assuming that the primary function of youth ministry was to use activities and events to attract young people to church and keep them occupied until they were ready to be adult members in the faith In recent years it has become increasingly obvious that this paradigm has failed to develop youth as life long participants in the Christian church and in the Christian faith The result of such a model of ministry is that youth come to see church only as those segregated activities reserved for teenagers most of which bear little resemblance to the practices of the rest of church life Consequently when youth graduate from high school and youth group they perceive that their most meaningful church experiences are ended Mainline congregations are now seeing the evidence of the real lack of impact of their youth ministries as the population of young adults in churches continues to shrink even those young adults who were once regular participants in church youth group programs In short the program driven model of youth ministry has failed to help youth find their place within the mission of the Church *Rethinking Youth Ministry* critiques this older paradigm and invites the reader into a dialogue to help rethink many of the deepest assumptions of youth ministry in the mainline church We challenge the consumerist goal of judging a youth ministry s success by the number of its participants We push back against the notion that a youth ministry is the sum total of the events on the calendar We rethink the place of volunteers and parents calling for a greater role of adults as spiritual mentors in the lives of church youth We send out a call for greater understanding of modern methods of teaching and the impact of brain research on the intellectual and spiritual development of youth and we re imagine a new role for mission within youth ministry which calls youth to see

mission not as isolated activities but as the very heart of their faith journey Rethinking Youth Ministry serves as a theological companion and practical guide for all those working in the trenches of youth ministry who are seeking to offer students a deeper more consequential and active life long relationship with God through the ministry of Jesus Christ **Earth Child** Kathryn Sheehan, Mary Waidner, 1991 Games stories activities experiments ideas about living lightly on planet Earth *NIV, Military Wives' New Testament With Psalms and Proverbs* Zondervan, 2013-03-05 When your husband serves in the military you re required to sacrifice as well adding a level of strain to everyday life that most people can t understand Frequent moves unpredictable schedules extended deployments reintegration and in some cases caregiving all make a military spouse like you hungry for the stability and peace found in God s Word This special New Testament with Psalms and Proverbs is designed to address your unique needs hopes fears struggles and insecurities And since no one can speak to you as you journey through this unique situation like someone who has gone through it this New Testament with Psalms and Proverbs includes 90 special devotions written by military wives and edited by Jocelyn Greene a former military wife who actively ministers to women in your situation Let her words of help and hope alongside God s Word encourage you as you serve our country in your own way Features 90 devotions written by military wives for military wives that provide hope encouragement and spiritual growth Preface from Jocelyn Green Scripture from the New International Version Topical Index and other study helps **Young Children** ,2000 **Temporary Stages III** Jo Beth Gonzalez, 2025-09-01 Theatre activities ask adolescents to empathize with those who are different from themselves Recognizing divergence invites self reflection and kindles compassion These actions tap students inner cores while at the same time deepening their understanding of privilege a key component of critical consciousness Through the lens of critical pedagogy and feminist theory this book explores the mutually reinforcing development of spirituality and emerging critical consciousness fostered by high school theatre experience By examining her own public high school theatre program through description analysis and interpretation Gonzalez explores why and how theatre work can simultaneously fortify teens spiritual growth while activating dawning awareness of the socio political dynamics in their own lives and the world around them The book includes the original one act play Free to Fly which introduces young people to the dangers of sex trafficking of minors Temporary Stages III will appeal especially to secondary theatre teachers theatre education pre service teachers and graduate students studying theatre pedagogy and critical cultural theory Come and See KIDS: In the Beginning Laurie Watson Manhardt, 2007-10-01 Come and See KIDS In the Beginning written for pre school and early elementary school children is fun and easy to use The content is biblical and solidly Catholic Follow the lives of famous Genesis biblical characters from Adam and Eve to Noah from Abraham to Isaac from Jacob to Joseph 365 Devotions for Boys B&H Kids Editorial Staff, 2015-11-01 How Many Days Can You Give to God These 365 devotions and Scriptures can help you give every day of the year to God See what the Bible says about such relevant topics as friendship bullying fear making choices anger and so much more There s no better way to
