unions securing funding from the higher powers and making public relations appearances when there was good news to
report I have observed that there were three recurring themes in Mr Bloomberg's modus operandi in both Education and
Real Estate Development Theme 1 He was overly optimistic As his various education initiatives and construction projects
progressed he routinely threw around and changed numbers on standardized test scores graduation rates school openings
school crime rates construction costs creation of jobs and affordable housing units among others and sometimes even
distorted facts outright Theme 2 Time after time Mr Bloomberg asked for input from the community or purported to on new
school openings and on construction of schools and other projects but usually ended up hiring his cronies and ignored the
community's wishes Theme 3 He took advantage of legal loopholes or skirted around the law to forge ahead with his
agendum His agendum was to acquire power Why else did he take control of the schools and overturn term limits It was not
for the money In November 2009 Mr Bloomberg won his third term election bid by a narrow margin mostly because he was
still viewed as a stronger candidate than the opposing one His power and popularity were waning however rocked by various

investigations in recent years including a slush fund scandal and corruption and sloppiness in construction that led to fatal accidents that resulted in the termination of decades long unethical practices Further he was accused of being involved in various conflicts of interest and of being hypocritical on environmental and health issues Two farmyard clichés and one generic cliché also aptly describe many occurrences during the Bloomberg administration between 2002 and 2009 Cliché 1 Just another case of the fox guarding the henhouse Cliché 2 Closing the barn door after the horses have already fled Cliché 3 Do as I say not as I do The above themes and clichés are so common in my text that I refer to their generic names i.e. I will use the blog style for example File under Theme 1 or File under Cliché 2 when providing evidence of same Enjoy
