

## JANUARY ... DOES IT BRING YOU JOY?

- 1 January is the time for renewal on many fronts. It's the time of the year to re-evaluate everything. If something or someone doesn't bring you joy, it's pretty pointless carrying on with it. If we want the best, we must do our best. We must keep our family space safe and secure so that we are thriving as a people and as a nation. 5
- 2 In order to live their best lives, people are spreading themselves thinner and thinner with multiple streams of income. In the process we earn more but live less, we lose our focus of what is important.
- 3 With social media, keeping up with other Instagrammers are having a devastating effect on self-perception. Everything appears to be real perfect, but the fabric of our society is frazzled. Use January to take stock and start navigating new ways of doing things. Instead of multiple streams of sole sessions, travel more, and connect with people and places that bring you joy. 10

[Adapted from *The Juice*, January 2020]

### QUESTIONS: TEXT F

- 5.1 Refer to line 1.  
Provide a synonymous phrase for 'on many fronts'. (1)
- 5.2 What is the function of the hyphen in 're-evaluate' (line 2)? (1)
- 5.3 Rewrite the following sentence in the passive voice.  
'If something or someone doesn't bring you joy, it's pretty pointless carrying on with it' (lines 2–3). (1)
- 5.4 Remove the redundancy in paragraph 1. (1)

**Music and Academia in Victorian Britain** Rosemary Golding,2016-04-29 Until the nineteenth century music occupied a marginal place in British universities Degrees were awarded by Oxford and Cambridge but students and often professors were not resident and there were few formal lectures It was not until a benefaction initiated the creation of a professorship of music at the University of Edinburgh in the early nineteenth century that the idea of music as a university discipline commanded serious consideration The debates that ensued considered not only music s identity as art and science but also the broader function of the university within education and society Rosemary Golding traces the responses of some of the key players in musical and academic culture to the problems surrounding the establishment of music as an academic discipline The focus is on four universities Edinburgh Oxford Cambridge and London The different institutional contexts and the approaches taken to music in each university showcase the various issues surrounding music s academic identity as well as wider problems of status and professionalism In examining the way music challenged conceptions of education and professional identity in the nineteenth century the book also sheds light on the way the academic study of music continues to challenge modern approaches to music and university education
