Setting Analysis Worksheet Answer Sheet/Model**Title and Author :** "Forty-Five Minutes"

Summary: Nick is saying goodbye to his childhood home. The house is going to be demolished in 45 minutes. He begins to reminisce about the time he spent in the house playing with his childhood friends. The house is no longer the glorious home he recalls.

Evidence/Examples from the text that directly demonstrate the author's use of setting	To what extent does the use of setting deepen the reader's understanding of the text?
<p>"He walked up the pathway to the dimly house. It was vacant. The grass was overgrown and weeds infested the front yard."</p> <p>"He was saddened by the thought of the once glorious home. Many years ago, Nick played countless hours with his childhood friends in this house."</p>	<p>The setting [the house] is vacant and abandoned. For some unrevealed reason, the house has not been taken care of. The grass is overgrown and weeds cover the front yard. The inside of the house is cold and filled with dust. At the end of the passage Nick leaves and doesn't lock the door. He states that, "everything valuable was already stolen." The reader can imply that Nick is referring to "valuable" in both a literal and metaphorical sense. He doesn't just literally mean that a thief stole all his valuables and possessions. He means that what was important to him has been destroyed or taken away. The text reveals that one of these literal "valuables" is his childhood home, which is going to be destroyed in forty-five minutes. Nick has an emotional tie to the house. Thus, when the house is destroyed his childhood [metaphorical valuable] is also taken away. The reader can imply that the word "everything" also suggests that there are other metaphorical "valuables" that have been taken away or destroyed; however, the author does not reveal what they are.</p>
