How does the writer use language to describe eating Fantail sweets?

[12 marks]

Answer:

The writer builds a sense of mystery and intrigue by opening with a description of the sweet's 'weird, blue' packaging: this creates a desire to find out what is underneath the wrapping. There is also something childlike about the adjective 'weird', as if James is slipping back into the youthful perspective of his boyish self as he relives his childhood.

When discussing the actual sweet, the writer uses a range of hyperbolic analogies to emphasise its intense stickiness. For example, the writer tells us a Fantail could 'induce lockjaw in a donkey'. This absurd image creates a comedic tone which is in keeping with the light-hearted nature of the piece. Some horrific & visceral descriptions follow, of mouths 'chipped open with a cold chisel' and of 'strangled crying in the dark'. These darkly comedic images of torture create an ironic juxtaposition with the innocent act of eating a sweet, again creating humour in the passage.

The fact that the children endure such torture to eat a Fantail also implies this 'chocolate-coated toffee' is a prize worth fighting for. Furthermore, the description of their consumption as 'hard work' in fact only emphasises the carefree nature of the boys lives: eating a sweet is the hardest thing they have to do.
