**U. S. News and World Report Ultimate College Guide** U.S. News & World Report (Firm), 2007-10 In the simplest of terms, leadership is about influencing people to achieve an objective that is important to the leader, the group, and the organization. It is the human element leading, motivating, and inspiring, particularly during times of crisis, chaos, and complexity, when directives, policy statements, and communiques have little effect on cold, exhausted, and stressed followers. Strong leadership encourages subordinates to go beyond the obligation to obey and commit to the mission in a way that maximizes their potential. The Military Leadership Handbook is a concise and complete manual that identifies, describes, and explains all those concepts, components, and ideas that deal with or directly relate to military leadership. The book is a comprehensive compendium that focuses on, among other subjects, cohesion, command, cultural intelligence, discipline, fear, and trust. This applied manual provides invaluable assistance to anyone who wishes to acquire a better understanding of both the theory and application of military leadership.

**Reading, Writing, and Thinking** Paul L. Thomas, Joe Kincheloe, 2006-01-01 In a world gone mad with standardized curricula and the degradation of the profession of teaching, P. L. Thomas and Joe Kincheloe attempt to bring sanity back to the discussion of the teaching of some of the basic features of the educational process. In *Reading, Writing, and Thinking: The Postformal Basics*, the authors take on the rational irrationality of current imperial pedagogical practices, providing readers with provocative insights into the bizarre assumptions surrounding the contemporary teaching of reading, writing, and thinking. The authors are obsessed

with producing an accessible book for multiple audiences parents teachers scholars of education that moves beyond critique to a new domain of the social and educational imagination Readers of Thomas and Kincheloe s book embark on a mind trip beginning with what is and moving to the realm of what could be In this context they introduce readers to a critical theory of thinking postformalism that moves the social and educational conversation to a new terrain of individual and social consciousness Tired of the same educational policies and solutions in the teaching of reading writing and thinking the authors become socio psychic explorers who move readers past the boundaries of contemporary pedagogical perception
