*Enraptured* Alannah Carbonneau, 2016-07-29 She s the truth that divulges my secrets and the purity that sanitizes my soul Loving her has never come with choice it consumed and burned and before I knew it I was hers Dace A man is defined by the secrets he keeps and the demons he carries I never knew I longed for light until the rays burned me Now there s nothing I wouldn t do to hold tightly to the light I ve captured She s a good girl and she s come from a good world We re as opposite as opposite can be but she s the other side of my coin the day to my night She s the truth to my secrets and the redemption to my sins Her heart is my salvation and her body is my obsession But loving her comes with a risk I m not sure I can take Ella He s become my safe place when everything I knew disintegrated around me In his arms I find solace and safety and laughter in a time where I m suffocated by pain He came into my world without any warning conquering and claiming They tell me he s dark and dangerous I ve been warned and I know I should stay away but I can t seem to help myself He s a craving I can t deny when the world keeps tossing us together I know there are things I don t know but every layer I uncover reveals a man my soul seems to recognize He s chiseling away my heart but I m unsure if he s invading the fractured pieces or stealing them Either way I don t think I have the strength to deny him Even if I did I don t know if I would Is it really up to me to decide if love prevails over darkness Or are some plans fated long before we come to be I m beginning to believe I was fated for him crafted entirely to enrapture all that he is **Free Russia** ,1900 *The Similibus* ,1872
