Love Letters From The Father Cynthia Quismundo,2020-10-23 Imagine reading a letter from your own father In this case letters from your Heavenly Father Tons of holy mails that have piled up untouched unopened over the years The world with all its buzz got you independent and too busy On top of this there s your family your career your business all and

sundry gave you too much loads that occupied your being You might have seen the Father s letters from afar attempted to open some but again the frenzied life And so the mails remained to be unread sealed Until the unsturdy cosmos where you thought you belong began to crumble Suddenly you find yourself alone and empty In this state of desolation you remembered your Heavenly Father And yes His letters You began to read it all indulging one after the other Straight away you realized these are answers to your questions bringing clarity to your confusions a reassurance that you matter that you are enough that you have never been once an accident nor a failure God is patiently waiting He longs to have an intimate relationship to have a constant conversation with you Oh how much love God has for you That great love that conquers all fear He is able and willing to carry all your burdens Begin to believe that there s nothing to be afraid of now for the battles you are facing are not yours but His You may have been shaken battered and broken but not crushed perplexed but not in despair persecuted but not abandoned struck down but not destroyed because all of these He has used for a purpose if only you cared to listen Love Letters From The Father is all that and more Our majestic Creator reaching out pulling us up crying and hurting with us and yet cheering us on giving us hope and making us whole In that secret place read on and experience a life changing encounter with the Father
