

Dream Department

The background of the cover is a photograph of three firefighters in full gear, including helmets and oxygen tanks, positioned on a wooden ladder. They are facing away from the camera, looking towards a building that is heavily obscured by thick, dark smoke. The scene is dramatic and emphasizes the dangerous nature of firefighting.

Wesley Williams became a New York City firefighter he stepped into a world that was 100% white and predominantly Irish As far as this city knew black men in the Fire Department of New York FDNY tended horses Nearly a century later many things in the FDNY had changed but not the scarcity of blacks New York had about 300 black firefighters roughly 3 percent of the 11 000 New York firefighters in a city of two million African Americans That made the FDNY a true aberration compared to all the other uniformed departments like the NYPD Decades earlier women and blacks had sued over its hiring practices and won But the FDNY never took permanent steps to eradicate the inequities which led to a courtroom show down between New York City s billionaire Mayor Mike Bloomberg and a determined group of black activist firefighters It was not until 2014 that the city settled the 98 million lawsuit At the center of this book are stories of courage about firefighters risking their lives in the line of duty but also risking their livelihood by battling an unjust system Among them FDNY Captain Paul Washington a second generation black firefighter who spent his multi decade career fighting to get minorities on the job He faced an insular culture made up of relatives who never saw their own inclusion as favoritism Based on author Ginger Adams Otis years of on the ground reporting Firefight is an exciting blend of the high octane energy of firefighting and critical Civil Rights history

Introduction to Fire Protection and Emergency Services Robert Klinoff, 2025-02-04 The seventh edition of Introduction to Fire Protection and Emergency Services is written to align with the National Fire Academy s Fire and Emergency Services Higher Education FESHE objectives and outcomes for the associate level course Principles of Emergency Services C0273
