### **Progressive Mothers, Better Babies** Okezi T. Otovo,2016-05-31

In Bahia Brazil the decades following emancipation saw the rise of reformers who sought to reshape the citizenry by

educating Bahian women in methods for raising better babies. The idealized Brazilian would be better equipped to contribute to the labor and organizational needs of a modern nation. Backed by many physicians, politicians, and intellectuals, the resulting welfare programs for mothers and children mirrored complex debates about Brazilian nationality. Examining the local and national contours of this movement, *Progressive Mothers Better Babies* investigates families, medical institutions, state building, and social stratification to trace the resulting policies which gathered momentum in the aftermath of abolition in 1888 and the declaration of the First Republic in 1889, culminating during the administration of President Getúlio Vargas in 1930–1945. Exploring the cultural discourses on race, gender, and poverty that permeated medical knowledge and the public health system for almost a century, Okezi T. Otovo draws on extensive archival research to reconstruct the implications for Bahia where family patronage politics governed poor women's labor as the mothers who were the focus of medical interventions were often the nannies and nursemaids of society's wealthier families. The book reveals key transition points as the state of Bahia transformed from being a place where poor families could expect few social services to becoming the home of numerous programs targeting the poorest mothers and their children. Negotiating crucial questions of identity, this history sheds new light on larger debates about Brazil's past and future.

The Ripple Effect Maria José Somerlate  
Barbosa, 2023-08-15 In *The Ripple Effect: Gender and Race in Brazilian Culture and Literature*, Barbosa adopts a comparative, multilayered, and interdisciplinary line of research to examine social values and cultural mores from the first decades of the twentieth century to the present. By analyzing the historical, cultural, religious, and interactive space of Brazil's national identity, *The Ripple Effect* surveys expressive cultures and literary manifestations. It uses the martial art dance ritual capoeira as a lynchpin to disclose historical ambiguities and the negotiation of cultural and literary boundaries within the context of the ideological construct of a mestizo nation. The book also examines laws governing gender in Brazil and discusses honor killings and other types of violence against women. *The Ripple Effect* appraises the contributions that some iconic female figures have made to the development of Brazil's distinctive cultural and literary production. Drawing on more than fifteen years of field, archival, and scholarly research, this work offers new interpretative venues and broadens the critical focus and the methodological scope of previous scholarship. It reveals how literature and other arts can be used to document cultural norms, catalog life experiences, and analyze complex constructions of social values, ideas, and belief systems.

**Nursing History Review, Volume 11, 2003** Patricia D'Antonio, RN, PhD, FAAN, Barbra Mann Wall, Book Rev Editor, 2002-09-26

*I. Roquete ,1842*    **Negras in Brazil** Kia Caldwell,2007-01-05 For most of the twentieth century Brazil was widely

regarded as a racial democracy a country untainted by the scourge of racism and prejudice In recent decades however this image has been severely critiqued with a growing number of studies highlighting persistent and deep seated patterns of racial discrimination and inequality Yet recent work on race and racism has rarely considered gender as part of its analysis In Negras in Brazil Kia Lilly Caldwell examines the life experiences of Afro Brazilian women whose stories have until now been largely untold This pathbreaking study analyzes the links between race and gender and broader processes of social economic and political exclusion Drawing on ethnographic research with social movement organizations and thirty five life history interviews Caldwell explores the everyday struggles Afro Brazilian women face in their efforts to achieve equal rights and full citizenship She also shows how the black women s movement which has emerged in recent decades has sought to challenge racial and gender discrimination in Brazil While proposing a broader view of citizenship that includes domains such as popular culture and the body Negras in Brazil highlights the continuing relevance of identity politics for members of racially marginalized communities Providing new insights into black women s social activism and a gendered perspective on Brazilian racial dynamics this book will be of interest to students and scholars of Latin American Studies African diaspora studies women s studies politics and cultural anthropology

*Rio de Janeiro* Beatriz Jaguaribe,2014-09-04 Through artistic imaginaries media productions social practices and spatial mappings this book offers an insightful and original contribution to the understanding of Rio de Janeiro one of the highly contested urban terrains in the world Offering a rich diversity of examples extracted from lived experience iconographic materials and narratives it provides innovative and compelling connections between theoretical questions and urban vignettes Throughout the essays the specificity of Rio de Janeiro is highlighted but framed in relation to theoretical questions that are relevant to major contemporary cities The book underlines the dilemmas of a city that attempts to compete globally while confronting social inequality violence and novel forms of democratic agency It retraces Rio de Janeiro s modernist memories as the former political cultural capital of Brazilian intelligentsia and national culture It explores Rio as a city of popular culture mestizo legacies media productions and cultural innovation

**The Life and Death of Carolina Maria de Jesus** Robert M. Levine,José Carlos Sebe Bom Meihy,1995 Robert Levine tells the story of Carolina Maria de Jesus 1914 1977 Brazilian Black illegitimate extremely poor and Brazil s best selling author upon the publication of her journals

**Women's Police Stations** Cecilia MacDowell Santos,2005-02-18 Women s Police Stations examines the changing and complex relationship between women and the state and the construction of gendered citizenship using women s police stations in Sao Paulo These are police stations run

exclusively by police women for women with the authority to investigate crimes against women such as domestic violence assault and rape Sao Paulo was the home of the first such police station and there are now more than 250 women s police stations throughout Brazil Cecilia MacDowell Santos examines the importance of this phenomenon for the first time looking at the dynamics of the relationship between women and the state as a consequence of a political regime and exploring the notion of gendered citizenship     **Sex Tourism in Bahia** Erica Lorraine Williams,2013-10-30 For nearly a decade Brazil has surpassed Thailand as the world s premier sex tourism destination As the first full length ethnography of sex tourism in Brazil this pioneering study treats sex tourism as a complex and multidimensional phenomenon that involves a range of activities and erotic connections from sex work to romantic transnational relationships Erica Lorraine Williams explores sex tourism in the Brazilian state of Bahia from the perspectives of foreign tourists tourism industry workers sex workers who engage in liaisons with foreigners and Afro Brazilian men and women who contend with foreigners stereotypical assumptions about their licentiousness She shows how the Bahian state strategically exploits the touristic desire for exotic culture by appropriating an eroticized blackness and commodifying the Afro Brazilian culture in order to sell Bahia to foreign travelers
