Failing At Fatherhood A For The Imperfect Father:

Imperfect Dads, One Perfect Father Scott Silverii, Juan Martinez, George Gregory, Richard Bright, 2021-06-15 Want to be a better father Four dads have come together to create a powerfully honest and insightful guide for men who sincerely want to improve relationships with their kids Many men struggle with strained connections with their own dad or the effects of having grown up without a male role model This imperfect model of fatherhood has left a generation of dads without the foundation for raising their own kids The authors share their uniquely diverse perspectives and personal experiences to show that no matter who you are how you grew up or what your current situation is you can always look to the one perfect example of fatherhood to guide you into sharing the best relationship you ve ever had with your kids God the Father created the gift of being a dad and it s through His very own example that we learn not the best way but the only way to be dad If you re not the dad you thought you d be at this point in life or if you re looking to up your game in the dad department *Imperfect Dads One Perfect Father* will encourage men through the journey of fatherhood *Mothers on Trial* Phyllis

Chesler, 2011-07-01 Completely updated and revised for the twenty first century *Mothers on Trial* remains the bible for all women facing a custody battle as well as the lawyers psychologists and others who support them This landmark book was the first to break the false stereotype about mothers getting preferential treatment over fathers when it comes to custody In this new edition Chesler shows that with few exceptions the news has only gotten worse when both the father and the mother want custody the father usually gets it The highly praised *Mothers on Trial* is essential reading for anyone concerned personally or professionally with custody rights and the well being of our children **Failing at Fatherhood** Jack

Barr, 2014-11-10 The day my daughter Marley was born I went straight to the nursery and held her for well over two hours I just held her and cried because I had never experienced such a love for anyone or anything in my life I think the nurses thought I was crazy because eventually they told me I needed to go be with my wife Three days later before we left the hospital the pediatric doctor told us she thought Marley might have Down syndrome My reaction Are you freaking kidding me I immediately had a panic attack Thus begins the brutally honest account of a new father who struggles with his faith his family and mostly himself as he comes to grips with the prospect of raising a child with a disability The author Jack Barr does not hold anything back as he shares his questions and his pain Through a process of understanding love prayer faith and support from others the author s perspective changes and he comes to realize the beautiful blessing that has been given to him and the privilege it is to be a father *Failing at Fatherhood* is indeed a book for the imperfect father and it will help any parent who may be struggling through a crisis of faith By sharing Jack s story one will grow in their perspective on life and God so that they may better understand their own role as a parent and spouse **The Graphic Lives of Fathers** Mihaela

Precup, 2020-02-21 This book explores the representation of fatherhood in contemporary North American autobiographical comics that depict paternal conduct from the post war period up to the present It offers equal space to autobiographical

comics penned by daughters who represent their fathers complicated and often disappointing behavior and to works by male cartoonists who depict and usually celebrate their own experiences as fathers This book asks questions about how the desire to forgive or be forgiven can compromise the authors ethics or dictate style considers the ownership of life stories whose subjects cannot or do not agree to be represented and investigates the pervasive and complicated effects of dominant masculinities By close reading these cartoonists complex strategies of self representation this volume also places photography and archival work alongside the problematic legacy of self deprecation carried on from underground comics and shows how the vocabulary of graphic narration can work with other media and at the intersection of various genres and modes to produce a valuable scrutiny of contemporary norms of fatherhood Fatherhood in Contemporary Discourse Anna Pilińska,2017-05-11 This volume offers a variety of perspectives on contemporary fatherhood from analyses of literature film drama and popular culture to issues tackled by psychology gender studies and social sciences Arranged into thematic sections the chapters cover a wide range of approaches to fatherhood including studies and analyses based on fieldwork and interviews with participants Each chapter discusses various culture dependent models of masculinity in relation to the topic of fatherhood depicted in works of literary and film art emphasizing the crucial factors and features which make all these models different from one another and using examples of such cultural contexts as Australia China Indonesia Brazil and Iran With the use of methodological tools provided by literature studies film studies culture studies psychology gender and queer studies and sociology the book is a comprehensive insight into current research on both real life and fictional realizations of fatherhood **The Sermon on the Mount** R. Fathers and Daughters in Shakespeare and Shaw Lagretta Lenker, 2001-04-30 How can the most silent member of the family carry the message of subversion against venerated institutions of state and society Why would two playwrights writing 300 years apart employ the same dramatic methods for rebelling against the establishment when these methods are virtually ignored by their contemporaries This book considers these and similar questions It examines the historical similarities of the eras in which Shakespeare and Shaw wrote and then explores types of father daughter interactions considering each in terms of the existing power structures of society These two dramatists draw on themes of incest daughter sacrifice role playing education and androgyny to create both active and passive daughters The daughters literally represent a challenge to the patriarchy and metaphorically extend that challenge to such institutions as church and state The volume argues that the father daughter relationship was the ideal dramatic vehicle for Shakespeare and Shaw to advance their social and political agendas By exploring larger issues through the father daughter relationship both playwrights were able to avoid the watchful eyes of censors and comment on such topics as the divine right of kings filial bonds of obedience and even regicide [Dawn](#)

[of Liberty](#) Michael Phillips, 2021-09-15 Political unrest shakes the foundations of a war torn country and of the McCallum family as they fight for their faith in the Secret of the Rose series Many years after their daring escape from a divided Germany Sabina and Matthew McCallum return with their son Tad to attend a conference on preaching the gospel of Christ in a country still scarred by the Cold War What they discover is troubling Western Christianity while well intentioned is not filling the unique needs of Christians in the East And even though the Cold War is over political strife is bubbling just below the surface and Sabina and Matthew become entangled in a Communist plot to seize control of Eastern Europe Once again the couple must call upon their instinctive talent for survival and their deep faith in God's protection to save their family

Cover Me in the Day of Battle Bart Pierce, 2007-03-13 Life is full of daily battles Why do good Christian soldiers

pastors leaders intercessors and others lose some of those battles Is it possible that they fail to reach their greatest potential because they go to battle without the covering of a spiritual father In this day of do it yourselfism Bishop Bart Pierce says it s time to address our need for fathers both spiritual and natural It s God s desire and the groan of the world for mature sons to come forth Fathers arise now and raise up sons Sons arise and get your heads covered and lets go to battle under the covering of God and our fathers Then the curse of fatherlessness will be broken and sons will turn to fathers and fathers will turn to sons so that the Church can be the force God created it to be The Imperfect Friend Wendy Olmsted,2008-01-01
