**Failing Our Fathers** Ronald B. Mincy, Monique Jethwani, Serena Klempin, 2014-12-01 Maligned as deadbeat dads or sexually and financially irresponsible inner city fathers and overlooked in discussions of poverty and family policy economically vulnerable nonresident fathers are a greatly misunderstood population *Failing Our Fathers* summarizes the most recent quantitative and qualitative research and undertakes new analyses to fill in important gaps to produce a comprehensive picture of who these fathers are what types of relationships they have with their families and children and the challenges they face meeting what their loved ones and taxpayers expect from them The great majority of these men see their children on a regular basis despite the financial legal and extra legal barriers they face Besides requiring fathers to support their children we must enable them to do so by supplementing their earnings and supporting their co parenting in ways that parallel how we require and enable vulnerable single mothers to support their children The book lays out specific reforms required to achieve this goal as well as tips for those resources for economically vulnerable nonresident fathers

*Failing Our Fathers* Ronald B. Mincy, Monique Jethwani, Serena Klempin, 2015 In *Failing our Fathers* Ron Mincy and his colleagues present a more comprehensive picture of how these men face significant obstacles and explore unintended effects of policies designed to secure financial support for their children the effectiveness of the few policies that have been designed to offer relief

Examining the Impact of Trauma Bradley D. Grammer, 2016-06-16 Through twenty five years of walking alongside those in conflict with their sexuality Brad has come to understand what is at the heart of same sex attraction trauma Little is understood about the concept of trauma and only recently has the method of trauma informed care come to the forefront of helping others People often react negatively to the concept of trauma being at the heart of any kind of gender identity or sexual confusion Christians also struggle to understand and provide loving help to those who have sought to overcome attractions they do not desire Believers need to be equipped with a deeper understanding of the foundations of same sex attraction whether they face these desires themselves or have loved ones for whom they care An integral part of helping those with same sex attraction is learning what we all have in common in experiences with trauma and our reactions to it Brad draws from his own story as well as his ministry experience to add to the discussion in hopes of filling in the gaps that remain unfilled on the issue of same sex attraction
