Fake Car Insurance Papers:

Islamic Terrorism M. H. Syed, 2002 *The Hellfire Papers* Derek Wilson, 2012-11-30 When the Master of St Mary's House Cambridge hires Tim Lacy to retrieve a collection of eighteenth century documents willed to it by a wealthy past member of the college he omits to mention that these manuscripts have a possible connection with the suicide of the late Dean and that there are those who remain determined to ensure that the documents never reach the College library. Supposedly penned by a scandal mongering member of the notorious Hellfire Club these papers if genuine could be of enormous historical significance and monetary value. And their significance is not lost on Lacy when an academic friend who has been helping him on the case is murdered. When it emerges that the Hellfire Club has repercussions into the highest circles of the current day Lacy must fight to reveal a dark long kept secret before anyone else pays with their life.

The Devil's Harvest Jessica Garrison, 2020-08-04 This suspenseful true story of a drug cartel hitman who got away with murder after murder in California's Central Valley over three decades reveals how the criminal justice system fails our most vulnerable immigrant communities. On the surface fifty eight year old Jose Martinez didn't seem evil or even that remarkable just a regular neighbor good with cars and devoted to his family. But in between taking his children to Disneyland and visiting his mom Martinez was also one of the most skilled professional killers police had ever seen. He tracked one victim to one of the wealthiest corners of America a horse ranch in Santa Barbara and shot him dead in the morning sunlight setting off a decades long manhunt. He shot another man a farmworker right in front of his young wife as they drove to work in the fields. The widow would wait decades for justice. Those were murders for hire. Others he killed for vengeance. How did Martinez manage to evade law enforcement for so long with little more than a slap on the wrist. Because he understood a dark truth about the criminal justice system if you kill the right people people who are poor who aren't white and who don't have anyone to speak up for them you can get away with it. Melding the pacing and suspense of a true crime thriller with the rigor of top notch investigative journalism The Devil's Harvest follows award winning reporter Jessica Garrison's relentless search for the truth as she traces the life of this assassin the cops who were always a few steps behind him and the families of his many victims. Drawing upon decades of case files interrogation transcripts on the ground reporting and Martinez's chilling handwritten journals The Devil's Harvest uses a gripping and often shocking narrative to dig into one of the most important
