authors discuss these developments and the effect they will have upon practitioners working in this area. They also provide a wealth of new and revised case law along with the DTCs of emerging countries. You will find Reports about major features in the DTC practice of many leading jurisdictions such as the DTC practice of Austria, Canada, France, Germany, India, the Netherlands, Switzerland, the UK, and the US. Sections on divergent country practice covering their national models and networks of bilateral DTCs. Thorough analysis of the OECD and UN model as well as the implementation of these models in practice. Amendments of bilateral DTCs textual or in substance on the basis of the 2017 Anti BEPS Multilateral Instrument. Coverage of a full range of the latest tax treaties around the world including important treaties between OECD and BRICS countries. This new Fifth Edition of Klaus Vogel on Double Taxation Conventions continues to reflect the unchallenged role of the OECD. The OECD MC accompanied by the official Commentary, guidelines, reports, and other recommendations has sustained its position as the most important legal instrument in the area of DTCs. On occasion, the UN MC and Commentary diverge from the OECD texts. When this happens, the authors deal with the specifics of the UN MC in separate annotations and analyses explaining and making sure you understand the differences. How this will help you. All the information you need to confidently advise on issues such as the taxation of income, taxation of capital, and the elimination of double taxation. Know that your advice to clients is based on the most up-to-date and respected information available from an outstanding team of editors and authors. The editors, Professors Ekkehart Reimer and Alexander Rust, have worked with the late Professor Vogel as well as an international team of top experts to completely update and enhance the content.
