

Order of Service

Look for me in Rainbows

*Time for me to go now, I won't say goodbye
Look for me in rainbows, way up in the sky.
In the morning sunrise when all the world is new,
Just look for me and love me, as you know I loved you.*

*Time for me to leave you, I won't say goodbye
Look for me in rainbows, high up in the sky.*

*In the evening sunset, when all the world is through,
Just look for me and love me, and I'll be close to you.*

*It won't be forever, the day will come and then
My loving arms will hold you, when we meet again.*

*Time for us to part now, we won't say goodbye
Look for me in rainbows, shining in the sky.
Every waking moment, and all your whole life through
Just look for me and love me, as you know I loved you.*

Just wish me to be near you, and I'll be there with you.

Funeral Order Of Service:

British Royal and State Funerals Matthias Range, 2016 The first in depth study of the ceremonial and music performed at British royal and state funerals over the past 400 years British royal and state funerals are among the most elaborate and solemn occasions in European history This book is the first in depth study of the ceremonial and the music performed at these events over the past 400 years from the funeral of Elizabeth I in 1603 Covering funerals of both royalty and non royalty including Nelson Wellington and Churchill this study goes up to the funerals of Queen Elizabeth The Queen Mother in 2002 and the ceremonial funeral of Baroness Thatcher in 2013 While some of these funerals have received a good deal of attention especially the 1997 funeral of Diana Princess of Wales these extraordinary events have largely not been discussed in their longer historical context The book examines the liturgical changes in the Anglican funeral rite since the Reformation and also the change from the so called public to private funerals It includes many new findings on the development of the ceremonial and its intricate peculiarities as well as new insights into the music and its performance British Royal and State Funerals shows that despite a strong emphasis on continuity in the choice of music the ceremonial itself has shown an astonishing flexibility over the last four centuries Overall the book also contributes to the debate on the monarchy's changing public image over time by paying particular attention to topics such as tradition and propaganda Drawing on substantial research in principal libraries and archives including those of Westminster Abbey the College of Arms Lambeth Palace and the British Library this book is an exhaustive resource for musicologists musicians and historians alike providing an unprecedented insight into this most sombre of royal and state occasions MATTHIAS RANGE is author of Music and Ceremonial at British Coronations 2012 He is a post doctoral researcher for the Digital Image Archive of Medieval Music and its partner AHRC funded Tudor Partbooks project at the Faculty of Music University of Oxford
