Not Gay Jane Ward,2015-07-31 A different look at heterosexuality in the twenty first century A straight white girl can kiss a girl like it and still call herself straight her boyfriend may even encourage her But can straight white guys experience the same easy sexual fluidity or would kissing a guy just mean that they are really gay Not Gay thrusts deep into a world where straight guy on guy action is not a myth but a reality there s fraternity and military hazing rituals where new recruits are made to grab each other s penises and stick fingers up their fellow members anuses online personal ads where straight men seek other straight men to masturbate with and last but not least the long and clandestine history of straight men frequenting public restrooms for sexual encounters with other men For Jane Ward these sexual practices reveal a unique social space where straight white men can and do have sex with other straight white men in fact she argues to do so reaffirms rather than challenges their gender and racial identity Ward illustrates that sex between straight white men allows them to leverage whiteness and masculinity to authenticate their heterosexuality in the context of sex with men By understanding their same sex sexual practice as meaningless accidental or even necessary straight white men can perform homosexual contact in heterosexual ways These sex acts are not slippages into a queer way of being or expressions of a desired but unarticulated gay identity Instead Ward argues they reveal the fluidity and complexity that characterizes all human sexual desire In the end Ward s analysis offers a new way to think about heterosexuality not as the opposite or absence of homosexuality but as its own unique mode of engaging in homosexual sex a mode characterized by pretense dis identification and racial and heterosexual privilege Daring insightful and brimming with wit Not Gay is a fascinating new take on the complexities of heterosexuality in the modern era

Pornography Christopher N. Kendall,2004 The 2000 case of *Little Sisters Book and Art Emporium v Customs Canada* provided Canada's highest court with its first opportunity to consider whether the analysis set out in *R v Butler* in which the Supreme Court identified pornography as an issue of sex discrimination applies to pornography intended for a lesbian or gay male audience The Court held that it did finding that like heterosexual pornography same sex pornography also violates the sex equality interests of all Canadians Christopher Kendall supports this finding arguing that gay male pornography reinforces those social attitudes that create systemic inequality on the basis of sex and sexual orientation misogyny and homophobia alike by sexually conditioning gay men to those attitudes and practices The author contends that as a result of litigation efforts like those brought by lesbian and gay activists in the *Little Sisters* case the notion of empowerment and the rejection of those values that daily result in all that is anti gay have been replaced with a misguided community ethic and identity politic that encourages inequality This is best exemplified in the gay male pornography defended in *Little Sisters* as

liberation and central to sexual freedom Gay Male Pornography rejects the equality claims of gay male pro pornography advocates and argues that there is little to be gained from sexualized conformity To date no one has taken the position that gay male pornography violates the legal right to sex equality This book does that and as such it will be of value to scholars of law sociology and gender studies as well as to all who have an interest in equality and justice *A Century of Gay Erotica* Book Sales, Inc. Staff,1998 *A Century of Gay Erotica* is a testimonial to the extraordinary erotic imagination of gay writers in this century Samuel Delany John Preston Aaron Ravis and Larry Townsend How do men together define their unique experience of desire What are the farthest reaches of endurance and lust Classics sit side by side with brilliant contemporary stories in a collection focused on the romantic extremes and male power and passion **America in the Seventies** Beth L. Bailey,2004 The seventies witnessed economic decline in America coupled with a series of foreign policy failures events that created an air of unease and uncertainty This volume examines the ways in which Americans responded to a changing world and sought to redefine themselves **Solitary Eyes on Fire and Other Stories** John David Wells,2018-03-13 Dark edgy and riveting the stories by John David Wells are white knuckles for the mind capturing the incomprehensible depths of madness cruelty and despair in modern society Written from the gut these stories rise up from the same lyrical dark well as Bukowski Shelby Jr and Burroughs Robert T Allen A narcissistic confused college student is brutally raped and murdered a bony headed psychopath makes his two step sons clear out rats in the basement a traveling American finds horror in a Casablanca opium den a young man is driven insane by the voice of English writer Daniel Defoe three college students have a drug fueled menage a trios in the back of a Range Rover with disastrous results and a drummer in a rock band hallucinates the Apostle John from the Book of Revelation flashing out of an MTV video Reading *Solitary Eyes on Fire and Other Stories* is like having a veil lifted from your eyes revealing a world more intense terrifying and imaginary than you ever knew Traveling through the book we meet a vivid unforgettable cast of characters driven to all sorts of depravitydrugs sex murder madnnessas they hurl ninety miles an hour down dangerous dead end streets *Solitary Eyes on Fire and Other Stories* reveals in stark detail the omnipresence of the grotesque in everyday life Mired in dystopia these characters have lost their their fragile hold on sanity entering a world where reality is up for grabs bizarre and repulsively ugly Often they innocent victims torn between the heartless demands of society and the desire to maintain their sense of identity and freedom
