

Question 5: The following experiment was conducted to **test for starch in green leaves of plants**. Read the summary below of the process that has been followed, then answer the questions that follow:

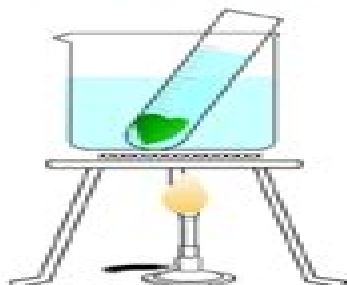

To test for starch in green leaves, the chlorophyll has to be removed from the leaf. When boiling a leaf in ethanol, an alcohol, the chlorophyll will be removed and the leaf will be white. Iodine is then dropped onto the leaf to test for starch.

Method:

1. Put a leaf inside a test tube, filled with ethanol.
2. Put the test tube with ethanol and the leaf, inside a beaker with boiling water. This is called indirect heating. (Alcohol cannot be heated over a direct flame as it is highly flammable.)
3. When the leaf has turned white, drop iodine onto the leaf to test for starch.
4. If starch is present, the leaf will turn blue-black.

5.1 Correctly **label** the scientific diagram of the experiment.

There are numerous websites and platforms where individuals can download Grade 6 Natural Science Exam Question Papers. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Grade 6 Natural Science Exam Question Papers. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Grade 6 Natural Science Exam Question Papers, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect

themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Grade 6 Natural Science Exam Question Papers has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
