Enacting Alberta School Leaders' Professional Practice Competencies George J. Bedard,Carmen P. Mombourquette,2016-01-21 This book captures the lived experiences of school principals engaged in meeting the standards of practice inherent in the Professional Practice Competencies for School Leaders in Alberta These principals tell their own stories of how they meet the competencies mandate of building relationships establishing and living a school vision leading a learning community providing instructional leadership developing leadership in others managing the organization and responding to the societal needs of the context within which the schools are located In addition as authors we provide a theoretical framework for the competencies and situate them within scholarly research

Social World of Pupil Assessment Andrew Pollard,Ann Filer,2000-06-01 Defining Assessment in the widest possible way ann Filer and Andrew Pollard have produced the most comprehensive ethnographic study of assessment ever attempted Their case studies cover all of the most important questions concerning assessment The findings which are both profound and unsettling have major implications for educational practice and policy particularly on how supposedly objective assessment processes depend on their context and are vulnerable to both bias and distortion In this colorful and reliable work Filer and Pollard have provided the definitive study of assessment in the 5 11 age range
