Learning Life in Present Day Canada vs. Indigenous Communities from 1713 to 1800

Learning Goal: We are learning about different Indigenous communities in Canada and differences.

There are **similarities** and **differences** between present day Canadians and Indigenous people to Canada in the 1700s.

Similarities (Things that are almost the same)

1. A strong appreciation and connection with nature.
2. Both groups value community connections.

Differences (Things that are not the same)

1. **Governance:** The Indigenous way of governance is based more on group decisions and living in harmony with community. Present day Canadian governance includes a government system with formal land ownership.
2. **Language and Education:** Indigenous people value oral storytelling while Canadians today value writing as a formal sharing of knowledge.

Lesson 4: "Displacement" in Canada from 1713 to 1800

Learning Goal: We are learning to understand the historical context of "Displacement" in Canada from 1713 to 1800.

What was the experience of different Loyalist groups? What challenges did these groups face? Why did some Black Loyalists choose to return to Africa? Why did some Black Loyalists choose to stay in Canada?

Different Loyalist groups were people who chose to stay in the British during the American Revolutionary War. They faced many challenges because of their loyalty. When the war ended some Loyalists had to leave their homes in America because they were not side their opponents.

These Loyalist groups faced a lot of difficulties when they came to Canada. They had to start their lives over in a new place. Finding food, shelter, and jobs was hard for them. The weather in Canada was also very different from what they were used to.
