Here's how to make money or a career out of selling facts to hidden and famous markets, nontraditional markets, and individuals in search of novelty, cutting edge facts, or historical facts. *How to Make Money Selling Facts* is about offering facts as a front-loading ancillary and a resource for gathering and offering information and resources. Facts you can sell can be uncommon news, results of research, indexing publications, finding trivia, details, research, and findings on recruiting people for medical trials done by pharmaceutical companies, to facts on ancient military strategies for historians and fiction authors, or facts on success stories and corporate histories, biographies, and news on inside information, interviews, and trends. You can find facts that are important to a few niche markets or to think tanks seeking trends in behavior or technology, and you can sell the facts to trade journals, professional associations, corporations, or institutes. You don't have to be an expert to find facts; just gather and glean the newest or oldest facts from experts from different sides. Separate the facts from the opinions and sell the facts. *How to Get Published in India* Meghna Pant, 2019-02-10
