*Just Tell Me How It Works* Paul Lance, 2014-05      *Build Your Own Home Theater* John Adams, Robert Wolenik, 2001-09-18

Written to provide information on all price ranges of equipment to everyone from the beginner to the experienced home theater owner *Build Your Own Home Theater* has been completely updated for today's audience. This new edition contains valuable consumer information on the latest digital home theater components and technology including digital surround sound receivers, DVD players, digital television, HDTV, digital satellites, DBS, digital camcorders, and digital hard drive video recorders. It also features easy-to-understand explanations of surround sound technology and set-ups including Dolby Digital, THX Surround EX, and DTS ES. If you are interested in audio, video, and home theater technologies, this book will give you the information you need to choose the right components, hook the pieces together, and create a fabulous theater experience right in your own living room.

When the first edition of *Build Your Own Home Theater* was published, decent home theater systems were primarily only affordable for wealthier consumers. Now, several years later, the technology is accessible to millions of homes. As products such as wide screen televisions, digital surround sound, audio DVD, Video and Audio Players, and digital satellite systems have become commonplace, though most people don't have actual home theater set-ups in their living rooms, more and more consumers are trying to combine components they already own with new high-tech components to create an affordable home theater experience.

Complete with important home theater Web site addresses and resources, *Build Your Own Home Theater Second Edition* is a comprehensive, current, and well-researched text. Beginners to advanced home theater consumers, Videophiles, technicians, engineers, and electronics hobbyists from all walks of life will especially find it invaluable. Dolby and the double D symbol are registered trademarks, and Surround Sound EX is a trademark of Dolby Laboratories. THX and Lucasfilm are Lucasfilm Ltd. TM. All rights are reserved. Used under authorization. DTS and DTS ES are trademarks of Digital Theater Systems Inc. Covers all of the hot digital technologies and how to tie them together into one amazing home theater experience for budgets from 1,500 to 15,000. New edition includes cutting edge technology from Digital Surround Sound to High Definition and Digital Television, DVD, Video, Hard Drives, Digital Satellites, and much more.
