Credit Repair Amy Loftsgordon, Cara O'Neill, 2020-10-27 Financing a reliable car or the home of your dreams requires good credit. A low credit score will increase the interest and fees you'll pay to borrow money and might even prevent you from renting an apartment or being approved for a credit card altogether. This comprehensive how-to manual will help you rebuild your credit and teach you how to protect it from future damage. *Exploit Loophole 609 to Boost Your Credit Score and Remove All Negative Items From Your Credit Report (Second Edition)* Robert Pemberton, 2024-03-14 How to Exploit loophole 609 to boost your credit score and remove all negative items from your credit report. Easily and quickly exploit Loophole 609 in the Fair Credit Reporting Act to boost your credit score and remove all negative items from your credit report. This book lets you take the power of Credit Repair back in to your own hands. It gives you a voice. Instead of being a number aka your credit score, you can actually stand up to the Credit Bureaus and say, "Hey, it's me, buddy. I need my credit score adjusted, and I'm going to legally and lawfully make you do it for me." And once you do that, once they realize they are dealing with a savvy street-smart consumer, they will be compelled to comply with the requirements of the law and will take negative items off your credit report. My system shows you exactly the way to legally and permanently remove all negative items from your credit report. If it's not done exactly the right way, the credit reporting company is likely to refuse your request. What type of negative items am I talking about? Items such as collections, repos, bankruptcies, late payments, judgments, loan modifications, liens, etc. This book will teach you a simple three-step system to be the master of your own destiny and beat those Credit Bureaus at their own game.
