

Nikola Tesla symbolizes a unifying force and inspiration for all nations in the name of peace and science. He was a true visionary far ahead of his contemporaries in the field of scientific development. New York State and many other states in the USA proclaimed July 10, Tesla's birthday- Nikola Tesla Day.

Many United States Congressmen gave speeches in the House of Representatives on July 10, celebrating the 134th anniversary of scientist and inventor Nikola Tesla. Senator Levine from

**The Technology Toolbelt for Teaching** Susan Manning,Kevin E. Johnson,2011-01-31 Instructors are under pressure to integrate technology into their

traditional or online instruction but often they aren't sure what to do or why they should do it. The Technology Toolbelt for Teaching offers instructors a down-to-earth guide to common technologies, explains the pedagogical purposes they serve, and shows how they can be used effectively in online or face-to-face classrooms. Designed to be easy to use, the book includes a decision-making matrix for each technology tool, a series of questions that teachers can use to decide whether these tools support their teaching goals. This comprehensive resource contains an array of useful tools that address problems of organization such as a time management calendar, aids for scheduling meetings, and mind mapping or graphic organizers. The authors also include a variety of online tools for communication and collaboration and tools to present content, help establish presence, and assess learning. Praise for The Technology Toolbelt for Teaching: Feeling overwhelmed and even afraid of integrating technology into your course? Fear no more! Susan Manning and Kevin Johnson have provided the ultimate guide that explains not only the various technology tools that can support faculty work and enhance coursework but also provides sound advice to help faculty choose the right tool for the job. This is a must-read for all faculty regardless of their experience with technology. Rena M. Palloff and Keith Pratt, managing partners, Crossroads Consulting Group and authors, Building Online Learning Communities and Collaborating Online. The Technology Toolbelt for Teaching delivers exactly what it promises: a concrete overview of a wide variety of tools, complete with examples specific to practitioners in both K-12 and higher education. Authors Susan Manning and Kevin Johnson provide practical applications rather than philosophy and solutions rather than platitudes. This is a must for any teacher working with or wanting to start working with technology. Jane Bozarth, author, Social Media for Trainers. eLearning coordinator, State of North Carolina. Creating compelling learning experiences for students is fraught with decision points. Add one or more technology options to the equation, and the number of directions to take learners seems to grow limitlessly and can either paralyze the instructional design process or cause us to take on too much. Enter The Technology Toolbelt for Teaching. Manning and Johnson's handy guide and the decision-making matrix that frames each of the tools it demystifies is an essential resource for choosing paths wisely. Jonathan Finkelstein, author, Learning in Real Time, founder and executive producer, LearningTimes. Includes 50 fresh and useful technology tools for teaching. A decision matrix for choosing and using the right tools. Examples for using each tool in higher education and K-12.
