that helps you to enjoy life as you have added access to financial services and various investments You must understand how your score can directly influence what you can purchase so that you can enjoy your life The problems you have with your credit score can be very dramatic and you might not be fully aware of what affects your credit score or how valuable it is to you Those people who pay off their debts and lines of credit with on time payments will be more likely to have better credit ratings There are many things relating to your credit score that should be explored that go well beyond just your payment history Financial Budgeting Everyone has an opportunity to grow their money and get out of debt but you must start to make this a reality Be warned though when your income starts to grow it is easy to fall into temptation and start spending more than you are earning again Refrain and continue saving and investing your money Every small step counts Every coin kept and invested counts If you use the profit you make you will be unable to grow your wealth Instead allow your investment to grow by using the profits as part of the next years principal With time you will have a venture that can not only buy you whatever you want but one that will continue to grow over the years Taking advice from experts in the field you wish to invest is critical to your investment Would you go to a farmer when you are sick or would you seek out a doctor The same way take your investment knowledge from those who understand the market dynamics and can offer you advice to help grow your investment Manage your credit cards with responsibility or they will sink you into a hole The easiest way to get into debt is to spend more than you earn You need to keep your expenses lower than your income at all times Watch your credit card spending because that s how we often find ourselves overspending To get out of debt is to pay The longer it takes you to pay the higher the interest rate you will be required to pay Either consolidate your debt or tackle one debt at a time You might want to reduce your expenses so you have more money to spread around Always start by saving 10% of your income A safety net is essential for your peace of mind Budgeting does not have to be complicated The more you simplify it the better As long as you track your expenses and stick to your budget it will work for you Ensure that you don t view it as a task but as a necessary tool to help you stay ahead get a real financial picture and manage your money correctly
