How To Be A Christmas Curmudgeon:

How to Be a Christmas Curmudgeon Franklin Bishop, 2014-11-01 From a bank vault in London an unpublished manuscript is revealed which tells the true story of Ebenezer Scrooge Written by a relative named Horace Elijah Scrooge the manuscript has been updated for a modern readership by historian Franklin Charles Bishop to become a classic tome of instructions on how to become a Christmas Curmudgeon It contains outrageous and shocking but very amusing hints and tips on causing mayhem and discomfort at Christmas to detested members of your family especially those who insist upon dropping in to visit you during the festive season This book makes an excellent gift and hilarious antidote to faux Christmas jollity A must read laugh out loud treat for Christmas even if you are not a curmudgeon *Adventures in London* James Douglas, 1909 The Curmudgeon's Dictionary William Soisson, 2016-04-25 Twenty years ago when the author first read Ambrose Bierce's *Devil's Dictionary* he was ecstatic Here at last was a creative work that was utterly lacking in discrimination Worth no regard whatever for race creed color sex religion or fast food preference Bierce kicked everyone's sacred cow right in the udder The author instantly knew that somehow some day he must continue the work begun by Ambrose So it is that *The Curmudgeon's Dictionary* follows the great Bierce's lead in flaying without mercy the pretentious of our world At the same time TCD unavoidably reflects many of the changes in style that have occurred in our language since 1911 when *The Devil's Dictionary* was first published Many of the old poets like Biddle Tamey and Opned Teal so well quoted by Bierce are gone having been replaced by such contemporary greats as Taner Bane and Sigson Kolgy who though they lack the elegance of the poets of Bierce's day have the virtues of simplicity and forthrightness Then too changes in science and technology have brought us many new terms such as computer CAT Scan Jive and Monica which did not yet exist in Bierce's day Moreover changes in the attention span have made it desirable to abbreviate many definitions and support the work of the aforementioned more concise poets The author has violated this procedure only when considerations of clarity or beauty have made it imperative as with the haunting *Ode to a Giant Bonsai Tree* Aside from such evolutionary matters one will find that some of the venerable Bierce's definitions are still valid today and have found their way into this magnificent book in updated form The updating is no criticism of the master only recognition that time moves things if not forward at least along

Branon, 2012-05 *The Curmudgeon's Guide to Getting Ahead* Charles Murray, 2014-04-08 For those starting out in their careers and those who wish to advance more quickly this is a delightfully fussy guide to the hidden rules of the road in the workplace and in life As bestselling author and social historian Charles Murray explains at senior levels of an organization there are curmudgeons everywhere judging your every move Yet it is their good opinion you need to win if you hope to get ahead Among the curmudgeon's day to day tips for the workplace Excise the word like from your spoken English Don't suck up Stop reaching out and sharing Rid yourself of piercings tattoos and weird hair colors Make strong language count His larger career advice includes What to do if you have a bad boss

Coming to grips with the difference between being nice and being good How to write when you don't know what to say Being judgmental it's good and you don't have a choice anyway And on the great topics of life the curmudgeon urges us to leave home no matter what get real jobs not internships put ourselves in scary situations and watch Groundhog Day repeatedly he'll explain Witty wise and pulling no punches The Curmudgeon's Guide to Getting Ahead is an indispensable sourcebook for living an adult life *A Photo Curmudgeon's Tale* Shawn M. Tomlinson, 2015-06-17 Long time columnist and lifelong photographer Shawn M Tomlinson writes about the art and technique of photography with wit and humor He focuses in his Photo Curmudgeon columns on getting started in as well as moving into advanced photography Instead of concentrating upon the newest shiniest photographic equipment Tomlinson works with all levels of older equipment makes recommendations and recounts his own Voyages of Photography He helps the novice get started with higher end older cameras and lenses and helps with photo editing suggestions and techniques The Campus Curmudgeon's Compendium Joseph M. Joeb, 2000-09-20 If ever you have been frustrated by some bureaucratic regulation if you've ever muttered That's just plain stupid about some silly rule this book's for you The author takes a curmudgeonly look at society in general and the education community in particular and offers his crusty definitions and commentary This book may provide a smile that will have everyone wondering what you're up to *A Timeless Christmas Eve* J.H. Alexander, 2013-10-10 A Christmas Classic One family's traditions Where they came from Why they live on One Christmas Eve when he was a teen Jack argued with his mother broke a treasured heirloom and took an incredible journey through his family's history On that journey he met a kindly curmudgeon who served as a guide through his family's amazing past Christmas Eves Jack met those people who formed the bonds of hope and love that continue to hold the family together Jack has always been desperate to share this experience with the rest of his family But unfortunately for Jack all the times he told the story over the years his family just laughed at his vivid imagination This year one last time Jack decided to tell his story to his children nieces and nephews Possibly this time just one would believe The Portable Curmudgeon Various, 1992-10-01 More than 1 000 outrageously irreverent quotations anecdotes and interviews on a vast array of subjects from an illustrious list of world class grouches If you can't say anything good about someone sit right here by me Alice Roosevelt Longworth **In the Spirit of the Grinch** Pasquale De Marco, 2025-05-18 In a world awash with Christmas cheer and festive exuberance a growing chorus of dissent is rising This book delves into the minds and experiences of those who despise Christmas seeking to understand the motivations behind their antipathy Through their stories we gain a glimpse into the complexities of human emotions and the diverse ways in which individuals navigate a holiday season that for them is anything but merry For some Christmas evokes painful memories of past traumas or associations with negative life events For others it is the relentless consumerism and environmental degradation that tarnishes the holiday's spirit Still others find themselves at odds with the religious or cultural aspects of Christmas feeling excluded or alienated from the dominant narratives surrounding the holiday This book offers a

unique perspective on the holiday season challenging our assumptions about Christmas and inviting us to consider alternative ways of celebrating It explores the history psychology and cultural significance of Christmas tracing the evolution of our current holiday traditions and examining the roots of the growing anti Christmas movement Along the way we encounter a cast of colorful characters from historical figures who disdained Christmas to contemporary individuals who actively resist its celebration Their stories shed light on the diversity of human experience and the complexities of the human condition reminding us that there is no one size fits all approach to the holiday season Ultimately this book is an invitation to engage in a thoughtful and nuanced conversation about Christmas It is an opportunity to challenge our own beliefs and assumptions about the holiday to consider alternative perspectives and to cultivate a more inclusive and compassionate approach to the holiday season Whether you are a staunch defender of Christmas traditions or a self proclaimed Grinch this book promises to shed new light on the complexities of this contentious holiday If you like this book write a review on google books

The Theological Dickens Brenda Ayres, Sarah E. Maier, 2021-11-18 This is the first collection to investigate Charles Dickens on his vast and various opinions about the uses and abuses of the tenets of Christian faith that imbue English Victorian culture Although previous studies have looked at his well known antipathies toward Dissenters Evangelicals Catholics and Jews they have also disagreed about Dickens thoughts on Unitarianism and speculated on doctrines of Protestantism that he endorsed or rejected Besides addressing his depiction of these religious groups the volume s contributors locate gaps in scholarship and unresolved illations about poverty and charity representations of children graveyards labor scientific controversy and other social issues through an investigation of Dickens theological concerns In addition given that Dickens texts continue to influence every generation around the globe a timely inclusion in the collection is a consideration of the neo Victorian multi media representations of Dickens work and his ideas on theological questions pitched to a postmodern society
