The Business of Entertainment Robert C. Sickels, 2008-11-30 We love to be entertained And today's technology makes that easier than ever Listen to tunes while working out No problem Watch a movie on your cell phone Can do Get 450 channels of digital entertainment bounced off a satellite and into your vehicle even while traveling through empty wastelands Simple But behind these experiences is a complex industry dominated by a handful of global media conglomerates whose executives exert considerable influence over the artists and projects they bankroll the processes by which products are developed and the methods they use to promote and distribute entertainment As this set shows the industries in which commerce art and technology intersect are among the most fascinating in all of business Entertainment is a high stakes industry where stars are born and flame out in the blink of an eye where multimillion dollar deals are made on a daily basis and where cultural mores for better or worse are shaped and reinforced The Business of Entertainment lifts the curtain to show the machinery and sleight of hand behind the films TV shows music and radio programs we can't live without The Business of Entertainment comprises three volumes covering movies popular music and television But it's not all about stars and glitter it's as much about the nuts and bolts of daily life in the industry including the challenges of digitizing content globalization promoting stars and shows protecting intellectual property developing talent employing the latest technology and getting projects done on time and within budget Challenges don't end there There's also advertising and product placement the power of reviews and reviewers the cancerous spread of piracy the battles between cable and satellite operators and the threat to both from telephone companies the backlash to promoting gangsta lifestyles and more Each chapter is written by an authority in the field from noted scholars to entertainment industry professionals to critics to screenwriters to lawyers The result is a fascinating mosaic with each chapter a gem that provides insight into the industry that hands down generates more conversations on a daily basis than any other

Man Camp Adrienne Brodeur, 2007-12-18 A biologist studying patterns of sexual selection Lucy Stone knows a lot about mating particularly that in the animal kingdom males will go to any length to attract females Why then are their human counterparts so hopeless in courtship This is the question that Lucy and her best friend Martha McKenna struggle to answer Consider Adam Lucy's boyfriend of two years who demonstrates on an ostensibly romantic camping trip that he can't build a fire split wood or jump start a car Worse still he's scared to go into the woods after dark Or take Jesse Martha's younger brother an opera aficionado and neurotic extraordinaire who can't summon the courage to make the first move on the woman he's crazy about And what about the extensive list of men with whom Martha has endured the torments of the first date But then there's Cooper Tuckington Lucy's best friend from college Born and bred on his family's West Virginia dairy farm Cooper fits anyone's description of a man's man and yet he is chivalrous and charming During his annual visit to New York City he rewires Lucy's lamps builds her shelves and holds forth on subjects from great painters to the great outdoors all the while pulling out chairs and opening doors for the ladies Surely think Martha and Lucy the men in their lives would benefit from the tutelage of someone who knows how to treat a woman Thus *Man Camp* is born With a little feminine persuasion Lucy and Martha convince Adam Jesse and a handful of their other male acquaintances to visit Cooper's farm where they will learn everything a guy should know from cars to carpentry to chivalry and that's just the C's But life on the farm isn't exactly as it seems and the boys soon prove themselves in ways the women would never have imagined In the process Lucy and Martha themselves learn a good bit about life and love The perfect can't put it down novel for all of us who've needed to bring out the inner man in the men we love *Man Camp* is a brilliant witty and insightful romp through the wilds of dating and mating
