

3RD GRADE
iLEAP SOCIAL STUDIES TEST SPECIFICATIONS

32 multiple-choice items *(continued)*

To maximize the meaningfulness of multiple-choice items, questions are typically cast in a practical problem-solving context, referring to a single stimulus (e.g., a map) or to a description of a single scenario. The reading difficulty level of test questions is minimized to the extent possible (except for necessary terms) so that students' reading ability does not interfere with their ability to demonstrate their social studies knowledge and skills.

Grade 3 Social Studies Test Specifications
