

RACHEL KRAMER BUSSEL

HOW TO WRITE

EROTICA

"If you've ever read erotica and thought, 'I could write better smut than that,' How to Write Erotica is the book that will actually help you do it."

—Kayla Lords, Sex Writer

Index Of Erotica English Edition

Ying Liu

Index Of Erotica English Edition:

Clandestine Erotic Fiction in English 1800-1930 Peter Mendes, 2016-12-05 This work offers bibliographical descriptions of all printings of erotic fiction in English issued clandestinely during the period 1800-1930. By clandestine is meant books whose publishers and printers attempt to hide their identities usually by offering title pages whose misleading places and dates of publication may shock and amuse but which always aim to mystify. Using internal and external evidence an attempt is made to establish who were the printers, booksellers and publishers English and Continental involved in this trade. The printing families or groups into which a large percentage of the material falls are classified accompanied by illustrations which identify the main printing characteristics, house styles of the groups. Bibliographical descriptions follow a checklist of clandestine catalogues; these provide valuable evidence for dating, pricing and sales pitch and information on items of which no copies can now be traced. The work concludes with a series of appendices which provide significant external evidence and three indexes of themes, titles and names. Peter Mendes' original research builds on and significantly extends the essential pioneer work of the Victorian collector and bibliographer H. S. Ashbee. Pisanus Fraxi *Mighty Lewd Books* J.

Peakman, 2003-06-24 *Mighty Lewd Books* describes the emergence of a new home grown English pornography. Through the examination of over 500 pieces of British erotica this book looks at sex as seen in erotic culture, religion and medicine throughout the long eighteenth century and provides a radical new approach to the study of sexuality. A Study of Erotic Literature in England W. v. Murat, 2019-09-24

The present work fills a gap as it attempts to offer a history of erotic literature published in the United Kingdom. The word Study in the title is perhaps a bit exaggerated as the material is largely taken from the now well known bibliographies by Pisanus Fraxi, Henry Spencer Ashbee and quotations from the books themselves. The time line is WW II. Who was the author? He may have been Charles Reginald Dawes 1879-1964 who is supposed to have written but not published a text of this or a similar title. His profession or his activities are not known; he once called himself a writer but library catalogues credit him only with two publications: *The Marquis de Sade* Paris 1927 and *Retif de la Bretonne* London 1946 privately printed. He may have been a popular writer under pseudonyms though Dawes owned a good erotica collection which he willed to the British Museum Library that would explain why the author of this Study if he was Dawes could quote freely from erotic texts which only few of his contemporaries would have had available. The main merits of this book are that the author was thoroughly familiar with English and French erotic literature and that he put his material in chronological order and in context. The editor added a number of references, illustrations and indices of personal names and titles to facilitate navigation. Erotic Politics Susan Zimmerman, 2005-08-15 Contributions from the most influential cultural materialist theorists working on the English Renaissance. Work on gender, sexuality and identity is at the heart of current teaching on the Renaissance and in cultural studies. Coverage is the entire Renaissance stage not just Shakespeare.

Index of American Periodical Verse 1982 Rafael Catalá, James D. Anderson, 1995-06-06 The Index of American

Periodical Verse is an important work for contemporary poetry research and is an objective measure of poetry that includes poets from the United States Canada and the Caribbean as well as other lands cultures and times It reveals trends in the output of particular poets and the cultural influences they represent The publications indexed cover a broad cross section of poetry literary scholarly popular general and little magazines journals and reviews *Before Pornography* Ian Frederick Moulton,2000 *Before Pornography* explores the relationship between erotic writing masculinity and national identity in Renaissance England Drawing on both manuscripts and printed texts and incorporating insights from modern feminist theory and queer studies the book argues that pornography is a historical phenomenon while the representation of sexual activity exists in nearly all cultures pornography does not The book includes analyses of the social significance of eroticism in such canonical texts as Sidney s *Defense of Poesy* and Spenser s *Faerie Queene*

Sources and Methods in the History of Sexuality Anna Clark,Elizabeth W. Williams,2024-09-12 *Sources and Methods in the History of Sexuality* outlines some of the challenges of retracing sexual acts identities and desires in the past and shows how historians have responded to these methodological challenges with ingenuity and creativity The volume acknowledges that the history of sexuality poses particularly interesting challenges in relation to sources due the peculiar nature of sexuality On one hand sexuality is frequently hidden and private its practices often unknown denied and evaded its desires fleeting or obsessive its reality confused or illuminated by fantasy yet on the other sexuality consistently breaks into the public sphere through moral panics waves of persecution taxonomizing projects and medical juridical interventions With vivid case studies from renowned contributors the chapters provide different theoretical approaches along with more practical examples of how to study the history of sexuality The volume has a broad chronology from the ancient world to the present an extensive geography covering not only Europe and the Americas but also Latin America and Africa and also includes a variety of gender and sexual expressions The book also privileges texts that offer an intersectional approach asking how sex and sexualities were constructed alongside against other categories of difference With accessible writing this volume encourages the reader to think creatively about how to find evidence of sex sexuality in the past and will be of value to students as well as scholars interested in the history of sexuality

Hardy and the Erotic T.R. Wright,1989-06-18 Hardy s Wessex according to T R Wright is a world dominated by desire which anticipates not only Freud Hardy s contemporary but such radical modern thinkers as Barthes Foucault and Lacan whose ideas are summarized in the opening chapters *Register of Erotic Books, Vel (sub Haec Specie) Dubiorum* ,1965 *Erotic Beasts and Social Monsters* Tiffany Grace,1995-02 The voluminous contemporary critical work on English Renaissance androgyny transvestism has not fully uncovered the ancient Greek and Roman roots of the gender controversy This work argues that the variant Renaissance views on the androgyne s symbolism are in fact best understood with reference to classical representations of the double sexed or gender baffled figures and with the classical merging of the figure with images of beasts and monsters
