$$\text{no more than 12.7 miles}$$

- 3) Chris wants to order DVD's over the internet. Each DVD costs \$15.99 and shipping the entire order costs \$9.99. If he can spend no more than \$100, how many DVD's could he buy?

Inequality, Crisis and Social Change in Indonesia Thomas Reuter, 2003-09-02 Indonesia has experienced a quick succession of new governments and fundamental reforms since the collapse of Suharto's dictatorial regime in 1998. Established patterns in the distribution of wealth, power, and knowledge have been disrupted, altered, and reasserted. The contributors to this volume have taken the unique opportunity this upheaval presents to uncover social tensions and fault lines in this society. Focusing in particular on disadvantaged sectors of Balinese society, the contributors describe how the effects of a national economic and political crisis combined with a variety of social aspirations at a grass roots level to elicit shifts in local and regional configurations of power and knowledge. This is the first time that many of them have been able to disseminate their controversial research findings without endangering their informants since the demise of the New Order regime.
