My Name Is Red Orhan Pamuk, 2010-11-02 One of the Nobel Prize winner's best loved novels in a special edition featuring an introduction by the author and a chronology of Islamic and Western art history that provides additional context for this dazzling story of a murdered artist in sixteenth century Istanbul Nobel Prize winner Orhan Pamuk's *My Name Is Red* set amid the artistic splendor and religious intrigue of sixteenth century Istanbul is a fantastical story of love and murder propelled by the philosophical puzzle at its core The Ottoman sultan has commissioned the most acclaimed artists in the land to create a great book celebrating the glories of his realm but he wants them to illuminate it in the European style Because there are those who believe art that imitates the real is an affront to Islam the project must be kept secret Panic and scandal erupt when one of the chosen miniaturists disappears along with a crucial page of the manuscript the surviving artists bitter rivals variously motivated by pride greed faith and love are all under suspicion of murder and the only clue to the mystery lies in the half finished illustrations themselves Logoteunison: Literary Easternization in Orhan Pamuk's Works Saman Hashemipour, 2019-10-31 This book explores the enduring European and American interest in literary works portraying Eastern themes and perspectives It examines how literary Easternization termed Logoteunison manifests in Western literary works that reflect embody or deploy Eastern values or concepts or else ape mimic parody or pay homage to various Eastern and especially Persian masterpieces Such repurposing or appropriation is frequently powered by features from the postmodern toolkit intertextuality metafiction fragmentation The novelist Orhan Pamuk has been influenced arguably unwittingly by literary Easternization In his Western style works Pamuk channels Eastern values creating texts nevertheless in the Western mold and primarily aimed at Western readers Pamuk uses Istanbul the writer's birthplace a city between two worlds a halfway land binding together Asia and Europe both as a physical setting and to symbolically mediate Eastern and Western worldviews This title has a threefold purpose by establishing a theoretical and contextual background for Eastern masterpieces and forming a distinctive review of Eastern culture as filtered through Pamuk's works it suggests a new theory in literary criticism one which aims to adopt a novel philosophical approach to the study of literary Easternization Students of comparative and Turkish literature will find in this volume detailed background information about Turkish Persian and Arabic masterpieces as well as their significant cultural correspondences and affinities especially regarding their employment of Sufi themes Any student or scholar interested in the postmodern cross fertilization of Middle Eastern and Western literature will find this work fascinating and rewarding Istanbul Orhan Pamuk, 2006-12-05 From the Nobel Prize winner and acclaimed author of *My Name is Red* comes a portrait of Istanbul by its foremost writer revealing the melancholy that comes of living amid the ruins of a lost empire Delightful profound marvelously original Pamuk tells the story of the city through the eyes of memory The Washington Post Book World A shimmering evocation by turns intimate and panoramic of one of the world's great cities by its foremost writer Orhan Pamuk was born in Istanbul and still lives in the family apartment building

where his mother first held him in her arms His portrait of his city is thus also a self portrait refracted by memory and the melancholy or h z n that all Istanbul share With cinematic fluidity Pamuk moves from his glamorous unhappy parents to the gorgeous decrepit mansions overlooking the Bosphorus from the dawning of his self consciousness to the writers and painters both Turkish and foreign who would shape his consciousness of his city Like Joyce s Dublin and Borges Buenos Aires Pamuk s Istanbul is a triumphant encounter of place and sensibility beautifully written and immensely moving
