Journeys Into The Bright World:

Dematerialized Joseph DiSomma ,Marina DiSomma,2021-11-02 On a bitterly cold night in January of 1979 the heiress to the Sheraton Hotel fortune vanished without a trace This is the true story of Marcia Moore daring author yoga teacher astrologer and occultist She experimented with the psychotropic anesthetic ketamine in the same vein as Timothy Leary s consciousness expanding research with LSD Her interest in psychedelics has only added to the wild theories about Moore s mysterious death in the four decades since Psychics astrologers and armchair sleuths have all had their say Now it s time to set the record straight In 1980 famous true crime author Ann Rule referred to Marcia s disappearance as probably the strangest case I have ever written about One day there may be answers After years of painstaking research this book reveals those answers about a case as multifaceted and intriguing as the woman who perished so tragically This is the story of a bold woman raised well to do and just a stone s throw from Walden Pond who took the road less traveled and paid for it with her life

Without Pity Ann Rule,2003-12 A collection of true crime tales selected from the author s Crime Files series is accompanied by three new cases that chronicle the crimes of seemingly ordinary men possessing a twisted obsession with violence and death

Sisters of the Extreme Cynthia Palmer,Michael Horowitz,2000-05 Sisters of the Extreme provides us with the eloquent writings of women who experimented with drugs Sometimes their quests brought unexpected rewards sometimes suffering The selections in this anthology show that the psychedelic experiences of women have been anything but stereotypical

The Palgrave Handbook of Philosophy and Psychoactive Drug Use Rob Lovering,2024-10-14 In this Handbook philosophers from around the world address the metaphysics epistemology and value of psychoactive mind altering drug use In so doing they attempt to answer questions such as What does the fact of drug induced mind altering experiences tell us about natures of the mind free will and God What does it tell us about what and how we can know Are drug induced mind altering experiences valuable morally aesthetically or otherwise Is the acquisition of drug induced mind altering experiences ever immoral Should the acquisition of drug induced mind altering experiences ever be legally prohibited The Handbook gives an overview of the current research and sets the stage for future directions in philosophical thought relating to psychoactive drug use

The Road of Excess Marcus Boon,2005-03-15 From the antiquity of Homer to yesterday s Naked Lunch writers have found inspiration and readers have lost themselves in a world of the imagination tinged and oftentimes transformed by drugs The age old association of literature and drugs receives its first comprehensive treatment in this far reaching work

700 Conscientiology Experiments Waldo Vieira,2018-08-22 A reference work on conscientiology this treatise with more than 5 000 entries in the bibliography first published in Portuguese in 1994 presents the reader with the bases of the neoscience conscientiology The author proposes 300 tests for self application dealing with topics of great relevance such as assistance the theory of thosene thought sentiment and energy and the theories of inversion and existential recycling among others The work presents conscientiology as the science applied to the study of

consciousness ego personality in an integral approach with all its vehicles of manifestation bodies previous existences and attributes The content being deepened and presented in a theoretical and practical way so a reader understands the importance of this knowledge to their life The science of conscientiology utilizes the best of the main lines of human knowledge common sense religion philosophy political ideology and conventional science and is based on multidimensional self experience having consciousness as both the instrument and object of research

Ketamine Keith G. Rasmussen, M.D.,2024-05-21 Few substances are as enigmatic as ketamine Is it an effective anesthetic A useful tool for the psychiatrist A doorway to transcendence and spiritual awakening A dangerously addictive drug The opinions are as plentiful as the individuals who encounter it As its use in the psychiatric setting expands however it s important for clinicians and patients alike to move past preconceived notions and misconceptions and truly understand ketamine its history its uses its effects and what the future might hold They ll find no better resource than Ketamine The Story of Modern Psychiatry s Most Fascinating Molecule Meticulously researched engagingly written and comprehensive in scope this book traces ketamine s history examining Its origins as an alternative to PCP as an analgesic and anesthetic The consequences of its widespread use as a recreational drug Its complex pharmacology Its role in understanding and treating schizophrenia Its use to manage chronic pain depression anxiety disorders and other conditions Each chapter beings with key points that frame the discussion and synthesize the information that follows The guide concludes with hundreds of references that invite the reader to further study Far from simply a dry chronology of ketamine this book is a well rounded exploration of a substance of tremendous consequence to psychiatry and neurology alike

The Ketamine Handbook Janelle Lassalle,2025-11-04 Understand the science and powerful therapeutic effects of psychedelic medicine and ketamine assisted psychotherapy KAP with this first of its kind primer Once known as a horse tranquilizer drug or Special K today ketamine is being hailed as a new wonder drug for treatment resistant conditions like depression and chronic pain So what exactly is this mysterious drug anyway How does it work and does it live up to the hype Now you can understand exactly what ketamine is and how it could make an impact in your life thanks to The Ketamine Handbook Written with easy simple to understand terminology this book aims to answer important questions like What s the history of ketamine What is ketamine assisted psychotherapy KAP How is ketamine different from psilocybin LSD cannabis and THC and other psychedelics What are the different types and forms of ketamine Can KAP address conditions like anxiety depression chronic pain PTSD and trauma What is the latest research and what are the potential future applications The answers studies and more are all included in this beginner friendly guidebook Transform your life and your health with the power of ketamine

Handbook of Medical Hallucinogens Charles S. Grob,Jim Grigsby,2022-11-07 This handbook reviews promising applications of psychedelics in treatment of such challenging psychiatric problems as posttraumatic stress disorder major depression substance use disorders and end of life anxiety Experts from multiple disciplines synthesize current knowledge on psilocybin MDMA ketamine and other medical

hallucinogens The volume comprehensively examines these substances neurobiological mechanisms clinical effects therapeutic potential risks and anthropological and historical contexts Coverage ranges from basic science to practical clinical considerations including patient screening and selection dosages and routes of administration how psychedelic assisted sessions are structured and conducted and management of adverse reactions Near-Death Experiences Ornella Corazza, 2008-06-30 Near death experiences fascinate everyone from theologians to sociologists and neuroscientists This groundbreaking book introduces the phenomenon of NDEs their personal impact and the dominant scientific explanations Taking a strikingly original cross cultural approach and incorporating new medical research it combines new theories of mind and body with contemporary research into how the brain functions Ornella Corazza analyses dualist models of mind and body discussing the main features of NDEs as reported by many people who have experienced them She studies the use of ketamine to reveal how characteristics of NDEs can be chemically induced without being close to death This evidence challenges the conventional survivalist hypothesis according to which the near death experience is a proof of the existence of an afterlife This remarkable book concludes that we need to move towards a more integrated view of embodiment in order to understand what human life is and also what it can be Ornella Corazza is a NDE researcher at the School of Oriental and African Studies SOAS University of London In 2004 5 she was a Member of the 21st Century Centre of Excellence COE Program on the Construction of Death and Life Studies at the University of Tokyo
