Cultures of Diplomacy and Literary Writing in the Early Modern World Tracey A. Sowerby,Joanna Craigwood,2019-06-20 This interdisciplinary volume explores core emerging themes in the study of early modern literary diplomatic relations

developing essential methods of analysis and theoretical approaches that will shape future research in the field Contributions focus on three intimately related areas the impact of diplomatic protocol on literary production the role of texts in diplomatic practice particularly those that operated as textual ambassadors and the impact of changes in the literary sphere on diplomatic culture The literary sphere held such a central place because it gave diplomats the tools to negotiate the pervasive ambiguities of diplomacy simultaneously literary depictions of diplomacy and international law provided genre shaped places for cultural reflection on the rapidly changing and expanding diplomatic sphere Translations exemplify the potential of literary texts both to provoke competition and to promote cultural convergence between political communities revealing the existence of diplomatic third spaces in which ritual symbolic or written conventions and semantics converged despite particular oppositions and differences The increasing public consumption of diplomatic material in Europe illuminates diplomatic and literary communities and exposes the translocal as well as the transnational geographies of literary diplomatic exchanges Diplomatic texts possessed symbolic capital They were produced archived and even redeployed in creative tension with the social and ceremonial worlds that produced them Appreciating the generic conventions of specific types of diplomatic texts can radically reshape our interpretation of diplomatic encounters just as exploring the afterlives of diplomatic records can transform our appreciation of the histories and literatures they inspired *School Library Journal* ,2006 **Journal of Education** ,1893 [An Introduction to Classical Rhetoric](#) James D.

Williams,2009-05-04 An anthology of primary texts in translation An Introduction to Classical Rhetoric offers an overview of the social cultural and intellectual factors that influenced the development and growth of rhetoric during the classical period Uses primary source material to analyze rhetoric from the Sophists through St Augustine Provides an in depth introduction to the period as well as introductions to each author and each selection Includes study guides to help students develop multiple perspectives on the material stimulate critical thinking and provide starting points for dialogue Highlights include Gorgias s Palamedes Antiphon s Truth Isocrates Helen and Plato s Protagoras Each selection is followed by suggested writing topics and a short list of suggested additional readings
