Holy Nations and Global Identities, 2009-09-28 Along with the processes of globalisation and the end of the cold war we have seen an upsurge in religious nationalism and an increasing focus on the role of religion as a legitimising force in democratic secular states Holy Nations Global Identities draws on the combined theoretical and historical insight of historians political scientists and social scientists on the question of nationalism and globalisation with the methodological knowledge of religion presented by sociologists of religion The book brings genuine theoretical explorations and original case studies on civil religion nationalism and globalization It also provides an introduction to the research history of the fields and aims to develop and elaborate on the theories and methodology of the investigated subjects

Gülen Joshua D. Hendrick, 2013-08-12 The Hizmet Service Movement of Fethullah G len is Turkey s most influential Islamic identity community Widely praised throughout the early 2000s as a mild and moderate variation on Islamic political identity the G len Movement has long been a topic of both adulation and conspiracy in Turkey In G len Joshua D Hendrick suggests that the G len Movement should be given credit for playing a significant role in Turkey s rise to global prominence Hendrick draws on 14 months of ethnographic fieldwork in Turkey and the U S for his study He argues that the movement s growth and impact both inside and outside Turkey position both its leader and its followers as indicative of a post political turn in twenty first century Islamic political identity in general and as illustrative of Turkey s political economic and cultural transformation in particular
