

Integration of Knowledge and Expertise (T. Kohnen)

The following table shows the results of the regression analysis for the dependent variable *Perceived Organizational Support*. The independent variables are *Organizational Commitment*, *Organizational Identification*, and *Organizational Attraction*. The results show that *Organizational Commitment* and *Organizational Identification* are significant predictors of *Perceived Organizational Support*, while *Organizational Attraction* is not.

1. **Identify the problem.** The first step is to identify the problem. This involves understanding the situation, the people involved, and the resources available.
