KANSAS CITY'S PARKS AND BOULEVARDS

Patrick Alley and Dona Boley

Kansas City S Parks And Boulevards Images Of America

**Arthur Hastings Grant, Harold Sinley
Buttenheim**

Kansas City S Parks And Boulevards Images Of America:

Kansas City's Parks and Boulevards Patrick Alley, Dona Boley, 2014-10-27 A fast growing frontier community transformed itself into a beautiful urban model of parks and boulevards In 1893 East Coast newspapers were calling Kansas City the filthiest in the United States The drainage of many houses emptied into gullies and cesspools There was no garbage collection service and herding livestock through the city was only recently prohibited Through the diligent efforts of a handful of recently arrived citizens political financial and botanical skills were successfully applied to a nascent parks system Squirrel pastures cliffs and bluffs ugly ravines and shanties and slums were turned into a gridiron of green with chains of parks and boulevards extending in all directions Wherever the system penetrated well settled localities the policy was to provide playgrounds tennis courts baseball diamonds pools and field houses By the time the city fathers were finished Kansas City could boast of 90 miles of boulevards and 2 500 acres of urban parks *A History Lover's Guide to Kansas City* Paul Kirkman, 2020-10-19 Discover the sights sounds and rich history of Kansas City from ancient burial mounds to a world class jazz museum Kansas City is often seen as a cow town with great barbecue and steaks But it s also a city with more boulevards than Paris and more working fountains than Rome There are burial mounds that date back more than two thousand years The National World War I Museum and Memorial opened in 1926 stands more than two hundred feet tall Leila s Hair Museum has a collection that brings tourists from all over the nation The Kansas City Jazz Museum features a historic district and world class museum that document a time when dance halls cabarets speakeasies and even honky tonks and juke joints fostered the development of a new musical style Join Missouri historian Paul Kirkman as he cuts a trail past the stockyards and takes you on a tour into the heart of America Kansas City Includes photos and information on Kansas City landmarks **Kansas City's Historic Hyde Park** Patrick Alley, 2012 Hyde Park located on Westport s outskirts south of early Kansas City was the first stop on the long trek down the Santa Fe Trail Good pasture and a natural cave spring were early attributes During the real estate boom of the 1880s the area was platted but the crash of 1888 intervened and only a few houses were built By 1900 with the recovery of the economy and the development of Janssen Place as a private street the area became the preferred community for Kansas City s wealthy The architectural style is Queen Anne Prairie School Neo Georgian Colonial Revival Kansas City Shirtwaist and Shingle These homes glitter with original brass fixtures lead and stained glass windows and oak mahogany and walnut interiors Some of Kansas City s most famous and notorious have lived in Hyde Park from wealthy businessmen and entertainment stars to serial killers **Pioneers of American Landscape Design** Charles A. Birnbaum, Lisa E. Crowder, 1993 **The American City** Arthur Hastings Grant, Harold Sinley Buttenheim, 1922 **Historic Photos of Kansas City** Lara Copeland, 2006 Historic Photos of Kansas City captures Kansas City s past through photographs from the city s finest archives From the Civil War period to the turn of the century to the building of a modern metropolis Historic Photos of Kansas City follows life government education and events from Kansas

City's history This book captures unique and rare scenes through the original lens of about 200 historic photographs Published in striking black and white photography these images communicate historic events and every day life of two centuries of people building a unique and prosperous city **Modern Cemetery** ,1924 **The American Midwest** Andrew R. L. Cayton, Richard Sisson, Chris Zacher, 2006-11-08 This first ever encyclopedia of the Midwest seeks to embrace this large and diverse area to give it voice and help define its distinctive character Organized by topic it encourages readers to reflect upon the region as a whole Each section moves from the general to the specific covering broad themes in longer introductory essays filling in the details in the shorter entries that follow There are portraits of each of the region's twelve states followed by entries on society and culture community and social life economy and technology and public life The book offers a wealth of information about the region's surprising ethnic diversity a vast array of foods languages styles religions and customs plus well informed essays on the region's history culture and values and conflicts A site of ideas and innovations reforms and revivals and social and physical extremes the Midwest emerges as a place of great complexity signal importance and continual fascination **Historical Animal Geographies** Sharon Wilcox, Stephanie Rutherford, 2018-05-11 Arguing that historical analysis is an important yet heretofore largely underexplored dimension of scholarship in animal geographies this book seeks to define historical animal geography as the exploration of how spatially situated human animal relations have changed through time This volume centers on the changing relationships among people animals and the landscapes they inhabit taking a spatio temporal approach to animal studies Foregrounding the assertion that geography matters as much as history in terms of how humans relate to animals this collection offers unique insight into the lives of animals past how interrelationships were co constructed amongst and between animals and humans and how nonhuman actors came to make their own worlds This collection of chapters explores the rich value of work at the contact points between three sub disciplines demonstrating how geographical analyses enrich work in historical animal studies that historical work is important to animal geography and that recognition of animals as actors can further enrich historical geographic research **American Reference Library** ,1924 **Catalogue of the Library of the Graduate School of Design, Harvard University** Harvard University. Graduate School of Design. Library, 1968 *The American Printer* ,1915 Park and Cemetery and Landscape Gardening ,1909 **Municipal Journal and Engineer** ,1904 American Lumberman ,1902 **The American Review of Reviews** Albert Shaw, 1928 **The American Review of Reviews** Albert Shaw, 1928 Art Including Creative Art ,1912 Art and Progress ,1912 **American Monthly Review of Reviews** Albert Shaw, 1928
