Thanks for Watching Patricia G. Lange, 2019-11-15 YouTube hosts one billion visitors monthly and sees more than 400 hours of video uploaded every minute In her award winning book Thanks for Watching Patricia G Lange offers an anthropological perspective on this heavily mediated social environment by analyzing videos and the emotions that motivate sharing them She demonstrates how core concepts from anthropology participant observation reciprocity and community apply to sociality on YouTube Lange s book reconceptualizes and updates these concepts for video sharing cultures Lange draws on 152 interviews with YouTube participants at gatherings throughout the United States content analyses of more than 300 videos observations of interactions on and off the site and participant observation She documents how the introduction of monetization options impacted perceived opportunities for open sharing and creative exploration of personal and social messages Lange s book provides new insight into patterns of digital migration YouTube s influence on off site interactions and the emotional impact of losing control over images The book also debunks traditional myths about online interaction such as the supposed online offline binary the notion that anonymity always degrades public discourse and the popular characterization of online participants as over sharing narcissists YouTubers experiences illustrate fascinating hybrid forms of contemporary sociality that are neither purely mediated nor sufficient when conducted only in person Combining intensive ethnography analysis of video artifacts and Lange s personal vlogging experiences the book explores how YouTubers are creating a posthuman collective characterized by interaction support and

controversy In analyzing the tensions between YouTubers idealistic goals of sociality and the site's need for monetization Thanks for Watching makes crucial contributions to cultural anthropology digital ethnography science and technology studies new media studies communication interaction design and posthumanism For its perceptive analysis of video blogging for self expression and sociality Thanks for Watching received the Franklyn S Haiman Award for Distinguished Scholarship in Freedom of Expression 2020 from the National Communication Association

The Sea Their Graves David J. Stewart, 2019-04-08 Like other groups with dangerous occupations mariners have developed a close knit culture bound by loss and memory Death regularly disrupts the fabric of this culture and necessitates actions designed to mend its social structure From the ritual of burying a body at sea to the creation of memorials to honor the missing these events tell us a great deal about how sailors see their world Based on a study of more than 2 100 gravestones and monuments in North America and the United Kingdom erected between the seventeenth and late twentieth centuries David Stewart expands the use of nautical archaeology into terrestrial environments He focuses on those who make their living at sea one of the world's oldest and most dangerous occupations to examine their distinct folkloric traditions beliefs and customs regarding death loss and remembrance

The Beginning of Difference Dr. Theodore Hiebert, 2019-11-19 Difference can enrich us or tear us apart Difference can make our lives stronger fuller and richer or it can destroy them Therefore how we engage difference matters Conflicts between different peoples around the world the movement of refugees from nation to nation tensions over immigration and growing diversity within our society bring difference to our doorstep daily We can engage people who are different constructively and compassionately or we can allow the fear of difference to distance us from others and to demonize them At a time when racial ethnic cultural and religious differences have created heightened tensions we need

more than ever to find our bearings We need to re examine what we think about difference Author Theodore Ted Hiebert re examines the Bible s stories explaining difference and its beginnings in the book of Genesis exposing the inclination to interpret these stories as a negative view of difference These stories recognize difference as God s intention for the world providing us with constructive resources of living with difference today Hiebert starts with the story of The Tower of Babel and moves beyond it to examine how Genesis s writers saw their unique identity and role in the world not as separate from all others but as members of the human family of which they were a part He presents how biblical characters lived with difference and how the first Christians embraced difference Finally he invites the reader into new conversations about our biblical traditions that reveal a respect for difference a generosity toward others a desire to include rather than exclude and a continuing interest in negotiating difference in ways that build relationships rather than destroy them *Cultural Anthropology* Conrad Phillip Kottak,2006-12 The new edition of Kottak s best selling text for cultural anthropology emphasizes anthropology s integrated and comparative nature with *Bringing It All Together* essays that show how anthropology s sub fields and dimensions combine to interpret and explain a common topic Another distinctive feature *Understanding Ourselves* illustrates the relevance of anthropological facts and theories to students everyday lives In addition every new copy of the eleventh edition is packaged free with a new student CD ROM as well as PowerWeb *Race, Sex, & Class* ,1994 **Society in Focus** William E. Thompson,Joseph V. Hickey,Mica L. Thompson,2018-11-13 *Society in Focus* An Introduction to Sociology Ninth Edition emphasizes how society and socialforces affect everything from globalizationand international policies to day to dayactivities in our personal lives In thisedition the authors go beyond the merequestioning of issues to take a closer lookat the social world in which we live Theyprovide an integrated approach that usessociological thinking to help studentsanalyze and understand key concepts Tofocus increased attention on sociologicalthinking and research methods theyhave chosen four key themes media andtechnology globalization cultural diversity and trends for the future Because sociologyis about all of us and our daily lives it is aneminently practical and useful discipline forunderstanding our social world This Ninth Edition Includes specific student outcomes for each chapter as well as assessment items linked to those outcomes new chapter opening vignettes that give real life examples illustrating important terms concepts and theories included in that chapter updated data statistics maps charts boxes and tables citing the latest research available examples of the powerful impact of media and technology on society especially the role social media play in helping to shape and define our daily social lives new photos and cartoons accompanied by critical thinking questions that reinforce and illustrate important sociological terms concepts and theories **Environmental Anthropology** Helen Kopnina,Eleanor Shoreman-Ouimet,2013-07-18 This volume presents new theoretical approaches methodologies subject pools and topics in the field of environmental anthropology Environmental anthropologists are increasingly focusing on self reflection not just on themselves and their impacts on environmental research but also on the reflexive qualities of their

subjects and the extent to which these individuals are questioning their own environmental behavior Here contributors confront the very notion of natural resources in granting non human species their subjectivity and arguing for deeper understanding of nature and wilderness beyond the label of ecosystem services By engaging in interdisciplinary efforts these anthropologists present new ways for their colleagues subjects peers and communities to understand the causes of and alternatives to environmental destruction This book demonstrates that environmental anthropology has moved beyond the construction of rural small group theory entering into a mode of solution based methodologies and interdisciplinary theories for understanding human environmental interactions It is focused on post rural existence health and environmental risk assessment on the realm of alternative actions and emphasizes the necessary steps towards preventing environmental crisis

The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Kottak Anthropology 13th Edition : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
