**Manual** ,1999 Donated by Mr Elmer Winter      **The Joy of Coffee** Corby Kummer,1997 If coffee from a can or jar is your idea of purgatory THE JOY OF COFFEE is the book for you Its author Corby Kummer originally came to the subject of coffee while writing a series of articles for the Atlantic Monthly and he found so much to say about the bean that he decided to write a book Kummer began with some basic questions What matters most in buying coffee How can you sort through the jumble of place names and whimsical labels on beans and blends Is a dark roast better more sophisticated than a light roast Is it essential to grind coffee beans at home What he learned in response to these queries comprises the bulk of THE JOY OF COFFEE Starting with a tour of a coffee plantation and ending in the reader s own kitchen Kummer leads a lively and informative discussion of all phases of coffee production from harvesting to roasting to brewing He discusses different roasts and the different types of coffeemakers and he even talks about caffeine consumption and methods of decaffeination that preserve the bean s flavor At the end of THE JOY OF COFFEE is a chapter chock full of recipes for tasty treats that either go well with coffee or include it as an ingredient Like a great cup of Joe THE JOY OF COFFEE is good to the very end      *1000 New Designs and Where to Find Them* Jennifer Hudson,2006-07-13 The following pages comprise a sourcebook of over 1000 designs since the turn of the century It is intended as a tool not only for the consumer but also for those seeking inspiration in their own design work Each object is presented with a caption providing full technical details as well as the websites of the manufacturers or designers where relevant Commentaries throughout shed light on the work of personalities and on trends making the book more than just a catalogue of desirable objects **BOOK JACKET      Food & Wine** ,1991      *Playbill* ,1992
