Hymns and Constructions of Race Erin Johnson-Williams, Philip Burnett, 2024-02-07 *Hymns and Constructions of Race* Mobility Agency De Coloniality examines how the hymn historically and today has reinforced negotiated and resisted constructions of race It brings together diverse perspectives from musicology ethnomusicology theology anthropology performance studies history and postcolonial scholarship to show how the hymn has perpetuated generated and challenged racial identities The global range of contributors cover a variety of historical and geographical contexts with case studies from China and Brazil to Suriname and South Africa They explore the hymn as a product of imperialism and settler colonialism and as a vehicle for sonic oppression and or resistance within and beyond congregational settings The volume contends that the lived tradition of hymn singing with its connections to centuries of global Christian mission is a particularly apt lens for examining both local and global negotiations of race power and identity It will be relevant for scholars interested in religion music race and postcolonialism

Readings on Religion and Culture in Africa Ejizu, Chris I., 2016-09-13 This is a book of reading on religion and culture in Africa comprising ten papers by experts in religion and cultural matters and an introductory note by the editor himself Covered in the volume are papers covering the impact of secularisation and urbanisation on a most cherished socio cultural practice of the extended family system of the Isoko people in Nigeria the traditional medical practices in Urhobo with particular focus on the use of local herbs to treat ailments the socioreligious as well as the political significance of Obiri family hall in Ikwerre land the rationale behind the use of the concept Dunamis in the Gospel According to Staint Mark Although his paper does not focus on African traditional religion its inclusion here is based purely on the theological significance of the concept of Dunamis the extent to

which evil spirits and mysterious forces have influenced the religion and culture of the Urhobo people of Nigeria the significance of festivals in the traditional African society John Wesley's innovations in Christendom and their implications for Africa the recent unprecedented upsurge in the assumed use of religious powers to cast out evil spirits as well as for prayer healing among Muslims in Nigeria the culture of alienation anxiety and violence drawing inspiration from the Fall Story of Genesis 3 and the widowhood practices of some areas in Nigeria

The Hymn, 2010 **Hymns and Hymnody III** John Forest, Mark A. Lamport, Vernon M. Whaley, 2020-10-29

Hymns and the music the church sings are tangible means of expressing worship And while worship is one of if not the central functions of the church along with mission service education justice and compassion and occupies a prime focus of our churches a renewed sense of awareness to our theological presuppositions and cultural cues must be maintained to ensure a proper focus in worship

Hymns and Hymnody: Historical and Theological Introductions is a 60 chapter three volume introductory textbook describing the most influential hymnists liturgists and musical movements of the church This academically grounded resource evaluates both the historical and theological perspectives of the major hymnists and composers that have impacted the church over the course of twenty centuries Volume 1 explores the early church and concludes with the Renaissance era hymnists Volume 2 begins with the Reformation and extends to the eighteenth century hymnists and liturgists Volume 3 engages nineteenth century hymnists to the contemporary movements of the twenty first century Each chapter contains these five elements historical background theological perspectives communicated in their hymns compositions contribution to liturgy and worship notable hymns and bibliography

The mission of **Hymns and Hymnody** is 1 to provide biographical data on influential hymn writers for students and interested laypeople and 2 to provide a theological analysis of what these composers have communicated in the theology of their hymns We believe it is vital for those involved in leading the worship of the church to recognize that what they communicate is in fact theology This latter aspect we contend is missing yet important in accessible formats for the current literature
