The Juvenilization of

American Christianity Thomas Bergler, 2012-04-20 Pop worship music Falling in love with Jesus Mission trips Wearing jeans and T shirts to church Spiritual searching and church hopping Faith based political activism Seeker sensitive outreach These now commonplace elements of American church life all began as innovative ways to reach young people yet they have gradually become accepted as important parts of a spiritual ideal for all ages What on earth has happened In The Juvenilization of American Christianity Thomas Bergler traces the way in which over seventy five years youth ministries have breathed new vitality into four major American church traditions African American Evangelical Mainline Protestant and Roman Catholic Bergler shows too how this juvenilization of churches has led to widespread spiritual immaturity consumerism and self centeredness popularizing a feel good faith with neither intergenerational community nor theological literacy Bergler s critique further offers constructive suggestions for taming juvenilization Watch the trailer *Handbook of the Methodist Youth Fellowship*, 1953 **Catalog of Copyright Entries.
