THE WILY COYOTE AND THE TALKING CACTUS

Reading Comprehension

Read the following text and answer the questions below.

In the vast landscapes of the Navaho Nation, where the sun paints the desert with hues of red and gold, there exists a timeless tale of wit and wisdom – the story of the Wily Coyote and the Talking Cactus.

Once upon a time, when the world was still young, Coyote roamed the desert in search of food and mischief. One scorching day, as he trotted across the sandy dunes, he encountered a peculiar sight – a cactus with a face carved into its trunk. To his surprise, the cactus spoke. "Greetings, Coyote. I have watched you play your tricks, and I offer you a challenge. If you can outwit me, I will share the secrets of the desert with you."

Coyote, whose curiosity was often his downfall, accepted with a shrug. However, the Talking Cactus presented a series of riddles, each more cunning than the last. Yet, with his quick thinking and clever nature, Coyote triumphed over each challenge.

As time went on, as the heat of the day grew, the Talking Cactus revealed a lesson hidden deep within the folds of its arms. "Coyote, wisdom is not just in outsmarting others, but in understanding the delicate balance of the desert. The secrets I offer are not for selfish gain, but for enriching the harmony of our land."

With each riddle solved, the wily Coyote learned the true wisdom of the Talking Cactus. The cactus, in turn, found joy in seeing Coyote's growth. One day, Coyote returned not only with the wisdom he had gained but also with a small seed that required little water to grow. The Talking Cactus smiled, for it knew its challenge had been met.

From that day forward, the Talking Cactus lived on in Navaho tradition, passing down the wisdom of its riddles to each generation. It was a testament to the importance of wit tempered with wisdom, and the quest to preserve the harmony of the natural world.

THE ENCHANTED RIVER

Reading Comprehension

Read the following text and answer the questions below.

Deep into the heart of Navaho Territory, there flowed a magical river known as the Enchanted River. It was said that the water possessed a shimmering glow, and the gentle murmur of its current carried the secrets of generations. This river was not just a waterway; it was a source of wisdom and magic for the Navaho Tribe.

The tale begins with two friends, Little Fox and Dancing Deer, who lived on opposite sides of the Enchanted River. Although the river was not wide, it was swift, and its hidden currents were treacherous. Little Fox and Dancing Deer longed to play together and share stories, but the river stood in their way. One day, as they sat on the banks, a wise old man appeared. He offered a solution to the friends' dilemma. "If you seek to cross this river, I will grant you passage, but you must first prove your friendship."

Little Fox and Dancing Deer, determined to prove their bond, embarked on a journey to find a gift that would be as precious as the river itself. Each faced challenges along the way, but through their shared experiences and unwavering friendship, they found a way to overcome every obstacle.

When they returned to the Enchanted River, the wise man was waiting, holding a necklace that combined the strength and beauty of the river's current, a magical bridge to cross the divide.

From that day forward, the Enchanted River flowed gently, carrying the wisdom of the past and the hope of the future. The friends played and laughed by the river, grateful for the lessons they had learned along the way.
