**Ageing and the Visitor Economy** Stephen J. Page, Joanne Connell, 2022-03-29 This significant volume is the first to use primary research evidence to examine tourism ageing and the implications of an ageing population for the visitor economy. Adopting a multidisciplinary approach, this book offers insights into the new opportunities, threats, and challenges that the growing ageing tourism markets poses. The ageing population has created a demographic time bomb with a population structure that is skewed towards a growing proportion of older people. When this is combined with the impact of health conditions such as dementia, the future shape of visitor demand and tourism behaviour is likely to change and face many new challenges, albeit at different rates in time and space. Chapters include cutting edge insights into future issues while interviews are used to illustrate and explain issues affecting ageing and tourism, creating a much needed synthesis of the ageing tourism nexus to demonstrate intellectual leadership around this theme. This book will be of great interest to all upper level students, academics, and researchers in the fields of tourism, hospitality, leisure studies, and health and social care.

*Routledge Handbook of Wine Tourism* Saurabh Kumar Dixit, 2022-11-25 Wine tourism or enotourism or oenotourism or winery tourism or vitourism is a special interest tourism that empowers local culture and spawns business opportunities for the local community. The comprehensive Routledge Handbook of Wine Tourism offers a thorough inquiry into both regular and emerging issues of wine tourism. Modern wine tourism extends beyond the mere cultivation of grapes and the production and selling of wine. The Routledge Handbook of Wine Tourism examines the complex interplay of market profiling, sustainable regional development, and innovative experiential marketing constructs which, when successful, contribute to the growth and sustainable evolution of global wine tourism. This handbook examines how the success of various enotourism events such as vineyard visits, winery tours, wine festivals, and wine trails can stimulate the development of wine producing regions and territories. Incorporating the latest philosophies and research themes, this handbook will be an essential reference for students, researchers, academics, and industry practitioners of hospitality and tourism, gastronomy, management, marketing, cultural studies, development studies, international business, and for encouraging dialogue across disciplinary boundaries.
