Don't Coast Kishore Borra, 2020-07-22 In his new book *Don't Coast*, Kishore Borra takes us on a growth journey. He highlights that personal and professional growth doesn't happen on its own and no one improves by simply living or coasting. He explains how he made growth as the number one priority in his life and how his willingness to grow has continuously opened up a lot of doors in his life. He says that growth happens daily but not in a day and all changes appear hard in the beginning, messy in the middle, and gorgeous at the end. According to Kishore, "You don't go into an opportunity; you grow into an opportunity and you don't get lucky; you make yourself lucky." This book is a blueprint for your growth. Along the way, Kishore discusses 4P's which are essential for your personal and professional growth. All the concepts explained in this book are like cookies in the lower shelf: very easy for anyone to reach and collect. So go for it! *Don't Coast* is a must-read for anyone who doesn't want to accept life rather than want to create and lead life intentionally. Read *Don't Coast* and get ready to spread your wings and soar absolutely and emphatically in the months and years to come.

College Admission Essays For Dummies Geraldine Woods, 2011-06-15 The competition to get into your college of choice has never been fiercer. Unfortunately, much of the application process is out of your hands. But one major aspect of the admission process is under your control: your personal statement. Your application essay provides you with the opportunity to let your true, unique, and totally irresistible self shine through. *College Admission Essays For Dummies* is your total guide to crafting application essays that will make people sit up and take notice. It demystifies the authority figures who'll judge your work, helps you decide what to write, and then arms you with the knowledge and skills you need to write your essay on time and on target. Step by step, it walks you through the entire essay writing process, offering priceless tips on how to choose the best topic, tone, and structure for your essay; capture the crucial stories that reveal who you are; avoid common pitfalls that can sabotage your application; overcome writer's block; know how to respond to unusual and off-the-wall essay questions; write successful short answers to specific application questions. College admission guru Geraldine Woods punctures common myths about application essays and tells you what you absolutely must do to write a good one. With the help of many inspiring and instructive killer essays, she shows you how to put yourself in the right mental state for writing well. Gather ideas, focus on a topic, and choose the best structure for your essay. Use topic sentences, detail, and strong introductions and conclusions. Write a rough draft. Show rather than tell your story. Make sure your spelling and grammar are pitch-perfect. Create smooth transitions and avoid repetitions. Your college application essay is your chance to show the committee that you're more than just a statistic. Let *College Admission Essays For Dummies* show you how to write admit-clinching college essays.
