

My Hobby

Hobby is a thing that we do for our amusement in our leisure time. This hobby as compared with others is not costly. I get seeds of different flowers and sow them in a small plot in front of my house. I water the seeds daily. After a few days, the small plants begin to peep outside. I extract all the unnecessary plants. After a few days, I see flower buds ready to open their mouths. Soon after this, one day I find myself standing in the company of different colourful flowers. These flowers emit sweet fragrance. I look after the flowers very well. I enjoy the beauty of these flowers. Whenever I get tired or become sad, I go there and sit in the company of these attractive flowers.
