

My Ideal Man: How Would you Describe an Ideal Man

What is your ideal man? I never know how to answer questions like this one, so I usually just say something along the lines of, "My ideal man is someone who wants a commitment," now, that may not sound like a bad thing— actually, I believe every woman wants that— but for a question like this, it needs depth; it needs detail, which is something I am not very good at doing— I'll still try. - My ideal man reads novels, not those ragged Playboy, and Penthouse magazines but real books like, "The Stranger" by Albert Camus, "Lolita" by Vladimir Nabokov, or J.

D Salinger's classic read, "The Catcher in the Rye. " He enjoys having long conversations, and watching film noir movies with me, he even enjoys those idiotic, nonsense films like "The Hangover," because it's so crazy it's funny. He likes public displays of affection; not caring who sees our love and our infatuation with one another, he loves the way my hand perfectly fits in his, as though I was made just for him. He likes it when I wear his clothes because I look good in them and he knows, I love having a piece of him, he tells me I'm beautiful, even when I look like a big, fat blowfish.

He lets me wear his cologne because he knows how much I adore his smell, only to buy me my own bottle because he knows it makes me feel closer to him. He loves cuddling, because, who doesn't love cuddling? He lets me fall asleep first, just so he can watch me sleep and he sings me corny, love songs when I can't. He's spontaneous, he loves waking me up at 4 A. M in the morning just to take a drive around the block, even when he knows, I'll be pissed off in that moment.

He hurts my feelings because he loves and cares about me, and wants me to learn that the truth hurts. He randomly whispers sweet nothings in my ear in the store, he hugs me from behind, when I'm upset and pull away, he pulls me right back and makes me tell him what's wrong so he can cheer me up, he calls me at 12 AM just say Happy Birthday, he sings me songs and buys me books because I'm not a high maintenance girl, and he knows how much I love those two things.

When I'm sick he comes right over and makes me feel better, even if it means him getting sick; he's willing to meet my mom and sister and accepts them both. He has a career, and life goals. He wants to get married, and start a family. He doesn't pressure me into sex because he knows that I'm a virgin, and he accepts that + knows I want to wait for the right person (Even though he already knows he's the right one). He cooks for me; he buys me flowers for no reason, he says "I love you, " just because, he cherishes our relationship.

He kisses me in the pouring rain, because he knows that I am a big hopeless romantic. He watches chick flicks with me, even though I hate chick flicks. He stays in bed with me because I'm too lazy to do anything. He takes bubble baths with me after work, he kisses me in the morning despite me having bad morning breath, he l
