## **My Visits To Heaven And Hell:**

In the Course of Three Hours C. Rysen, 2017-06-16 Captivating mysteries and gripping suspense blended within Christian philosophical and some political ideologies and a healthy dose of imagination result in a fast paced thriller a stimulating and thought provoking story Masterfully composed and written the story leaves absolutely nothing unturned and is intriguing throughout in every sense Andrew a steadfast atheist has defied his parent s attempts to raise him to be a Christian for over thirty years However his life and the lives of his family have been turned upside down by Islamic Jihadist terrorists who are out to kill them as well as detonate a series of nuclear weapons in an effort to destroy America And if that weren t enough one nuclear device rests in a location in the United States so unique so ingenious its distinct placement alone can render the entire world uninhabitable As Andrew and his family cope with the terrorists and the pending apocalypse their beliefs and lives are put to the ultimate test Is this the end of time predicted in the Book of Revelation The story and its ending explore some possibilities that will be hard to ignore and some eye opening revelations As the tale culminates in an unexpected and most surprising conclusion that in itself becomes an absolute and decisive anecdote the reader will realize that it intends to deliver several messages The story is inspirational subtly educational and may be interactive as it is saturated with clues hints hidden meanings and symbolisms that relate to how the story unfolds Most are subtle and will require some thought to discern however it is not required that the reader make a conscious effort to try to identify and interpret these or participate where it is interactive to enjoy the story Although the story is intense with substance it is also irresistibly alluring and enchanting in an ingenious way and will appeal to anyone looking for a story that is rich with riveting suspense and mysteries in a setting that may be relevant to today s world For more information about the book visit the author s website at <https://www.inthecourseofthreehours.com>

**Course Corrections to Faith and Identify the Real Gospel Authors** John Zavicar,2022-07-19 The author believed he was a saved Christian and never doubted he was going to heaven Recently during a traumatic surgery that nearly killed him God took him to hell to show him his true eternal destination After surgery and during recovery John started working with the Holy Spirit to understand why God sent him to visit hell He realized it was because he hadn t wholeheartedly accepted the story of Jesus Many of the Biblical Gospels never made sense to John and he couldn t fully commit to Jesus Read John s story to find out how God worked in his life to identify the real authors of the Gospels and how this solidified his faith Following this investigation John committed 100% to Jesus Apply the five step process he describes to firm up your faith and eliminate your

doubts in Jesus just as he did      **Last Warning** Ana Segarra Rosario, Acts 2 16 17 King James Version KJV 16 But this is that which was spoken by the prophet Joel 17 And it shall come to pass in the last days saith God I will pour out of my Spirit upon all flesh and your sons and your daughters shall prophesy and your young men shall see visions and your old men shall dream dreams I was asked to share some of the memories that I have of Heaven and some Heavenly Encounters Let me tell you that as a child I was not very nice I was mean and selfish that is when my first Near Death Experience happened My mom had bought us kids Flintstones vitamins with iron She would give us kids one a day and I used to sneak and take a whole bunch of them like candy I thought that they were pretty and tasted sweet so I ate lots and lots Over a period of time I started feeling sleepy very sleepy and my arms felt really tight I was scared and didnt want to tell mom for fear that I would get into trouble So I went to my bed and fell asleep BOY DID I      *The Glory of God Revealed* Donna Rigney,2021-06-01 The Glory of God Revealed As you read The Glory of God Revealed you will be amazed at the wonderful things Donna Rigney saw and learned on her many spiritual encounters with Father Jesus and Holy Spirit Her vivid detailed accounts of a special golden mountain in Heaven and all that glorious mountain holds for God s children who      **Scala** Christina Bauer,2019-05-06 Anniversary Edition With Bonus Images and Epilogue Nineteen year old Myla Lewis has transformed into Great Scala the only being with the power to move souls out of Purgatory and into Heaven or Hell Trouble is a magical object called Lucifer s Orb is limiting Myla s abilities If she tries to move a soul the Orb s forcing her to send that spirit straight to Hell So what s a girl to do Send innocents to the fiery down under No way Myla s gone on a supernatural strike No souls go anywhere until the Orb s history It s the right thing to do but Purgatory s Soul Storage buildings are turning into time bombs No spirits are moving out while millions keep coming in Myla s determined to find the Orb and send the innocent to Heaven but she s running out of time Soon the containment fields will burst releasing a mob of homicidal ghosts With Soul Storage ready to explode Myla s got enough on her plate without her old enemy Lady Adair causing problems Adair is launching an ingenious campaign to take away everything that Myla holds dear including Myla s Angelbound love Prince Lincoln Between their clever ideas and toe curling kisses Myla and Lincoln are fighting back But will they beat the clock or lose everything to Adair s devious schemes Angelbound Origins In which Myla Lewis kicks ass and takes names 1 Angelbound 2 Scala 3 Acca 4 Thrax 5 The Dark Lands 6 The Brutal Time 7 Armageddon 8 Quasi Redux 9 Clockwork Igni 10 Lady Reaper 11 Reaper Games 12 Angry Gods 13 Phantom Corsair Perfect for teen and young adult readers who want their book series to deliver badass world building angels demons paranormal romance fresh themes from contemporary fiction LOL romantic comedy gods and goddesses dark fantasy strong girls and women as heroines themes about loners and outcasts the best laughs in humorous literature general coming of age whackery and most importantly truly unusual epic fantasy      *Mysticism* Jess Hollenback,1996-09-15 This sweeping study of mysticism by Jess Hollenback considers the writings and experiences of a broad range of traditional religious mystics including Teresa of Avila Black Elk and Gopi Krishna It also makes use of a new

category of sources that more traditional scholars have almost entirely ignored namely the autobiographies and writings of contemporary clairvoyants mediums and out of body travelers This study contributes to the current debate about the contextuality of mysticism by presenting evidence that not only are the mystic s interpretations of and responses to experiences culturally and historically conditioned but historical context and cultural environment decisively shape both the perceptual and affective content of the mystic s experience as well Hollenback also explores the linkage between the mystic s practice of recollection and the onset of other unusual or supernormal manifestations such as photisms the ability to see auras telepathic sensitivity clairvoyance and out of body experiences He demonstrates that these extraordinary phenomena can actually deepen our understanding of mysticism in unexpected ways A unique feature of this book is its in depth analysis of empowerment an important phenomenon ignored by most scholars of mysticism Empowerment is a peculiar enhancement of the imagination thoughts and desires that frequently accompanies mystical states of consciousness Hollenback shows its cross cultural persistence its role in constructing the perceptual and existential environments within which the mystic dwells and its linkage to the fundamental contextuality of mystical experience      **Serving One Another** Stephen

Ansley,2021-09-09 God wants His people to know the gifts He has given them Gifts appear in Scripture primarily in three passages each with its own list with other gifts mentioned individually here and there in other parts of Scripture This three volumes study of New Testament gifts deals with the three lists separately to honor the uniqueness of each list You are invited to come along with the author in discovering what God has given to His people including you      **A Visit to Gods'**

**Graveyard** Muhammad Amin,      **Satan, Is That You?** Janet Lee Smith,2024-05-01 They say history is written by the victors but what if the greatest tale of all was twisted by Satan and God Welcome to my version of Satan and Hell Who knew Satan was truly a female Behind the myth of Lucifer lies Tempest the true Satan pushed from Heaven not for her devious nature but because Lilith loved her and not her brother God Portrayed as a villain in mankind s story she is the antithesis of her notorious reputation a leader of fairness not one who destroys all who go against her When intrepid author Jacob is sent to write a book about Tempest he discovers an underworld that challenges the very fabric of his beliefs In a world where humanity is knowledgeable about the supernatural Tempest finds herself vulnerable when she is drawn to Jacob who she quickly realizes is her one true mate As their ardor ignites they find acceptance from everyone around them But unrest stirs as hidden desires unravel Dark secrets surface entwining fates and exposing a love stifled by witchcraft One of Lilith s many daughters Lilac bears the weight of a spell that could shatter the fragile balance between Tempest and Lilith What will Lilith s fate be once Tempest learns what she has done While Tempest is falling in love will she be able to quell the uprising that threatens her rule over Hell and can love surmount the shadows that seek to divide Dive into a world where the greatest story is not of Heaven and Earth but one that lies untold beneath where the heart of Satan beats with humanity not darkness
