Jones, 2017-07-03 Stephen B Jones a university president lifetime champion of nature and the founder of Great Blue Heron LLC explores in this book of essays how individuals and organizations can apply nature's wisdom to achieve success Expanding on the themes in his first book Nature Based Leadership Lessons for Living Learning Serving and Leading

he points out that nature's routes, processes, options and outcomes seem infinite. In many ways they are, but all species, including humans, seek the same thing to succeed, reproduce and sustain. Jones draws upon his varied background as a natural resources scientist, educator and philosopher to convert nature's time-tested wisdom into actionable insights that will help you live, learn, serve and lead while engaging in responsible Earth stewardship. His personal reflections translate science through words that evoke comprehension, stir passion, elicit emotion and prompt action. Above all else, he harnesses the wonder, magic, awe, beauty and spirit of nature in the service of reason and the cause of humanity. Capitalize on the wisdom of the natural world with the lessons in *Nature Inspired Learning and Leading*. *Retreat to the Lakeside Cottage* Erin Green, 2024-08-15. A warm, funny, uplifting writer. KATIE FFORDE. If you love Lucy Diamond, Phillipa Ashley, Sue Moorcroft and Holly Martin, you'll LOVE Erin Green's novels of love, life and laughter. Welcome to the Lakeside Cottage. A place to write where inspiration awaits. Five authors have gathered at the idyllic Lakeside Cottage for a retreat with the promise of peace and dedicated writing time. At least that's the idea. Retreat organiser Rula is there to edit, surrounded by like-minded souls. An interloper, especially one with whom she has a past, was certainly not part of her plan. Eve has a bad case of writer's block despite numerous bestsellers under her belt. Can she find new inspiration? Or will she get drawn into the dramas that unfold around her? Alice has a deadline looming but is seemingly more interested in anything but writing. And where does she keep disappearing to? Daphne is an experienced self-published author but might she be more unconventional in other ways too? And then there's Bront, the complete novice. She's a mere scribbler, not a proper writer like these other women, and she feels totally out of her depth. As the collective word count grows and their personal stories interweave, each woman finds herself drawn in unexpected and life-changing directions. Warm praise for Erin Green's heartfelt novels. An uplifting and wonderful story about the power of female friendships. Donna Ashcroft. Thoroughly entertaining. The characters are warm and well drawn. Sue Roberts. A lovely heart-warming story. I was hooked. Christina Courtenay. A delightful tale of friendship, family and love. Jenni Keer. What a lovely and uplifting read. I really, really enjoyed it. A perfect heartwarming read which has provided a great escape. Loved this, thoroughly feel good read. Don't miss the other Lakeside Cottage novels: *Summer Dreams at the Lakeside Cottage* and *Christmas Wishes at the Lakeside Cottage*. And discover the uplifting Shetland series beginning with *From Shetland With Love*. *Rice and Agricultural Policies in Japan* Nicole L. Freiner, 2018-09-19. This book chronicles Japan's rice farmers who live in mainly rural areas in the west and south of Japan through original interviews conducted in Japanese. It argues that current agricultural policy, as well as the tightening relationship between the US and Japan, is a death sentence for a traditional lifestyle that is vital to Japan's notion of national identity. The project covers recent agricultural policies, including the Trans-Pacific Partnership (TPP) agreement and its potential consequences on Japan's food sovereignty, and documents the effect of these policies on rice farmers. This volume is ideal for those interested in Japan's agricultural policies and rural and traditional Japanese lifestyle. *Round about the islands: or, Sunny spots near home* Clement William
