My Father Figures:

My Father Figures William J. Gardner, 2013-11 As a military spouse in North Carolina I run into a young female with more problems than a mathematician She is desperately in search of love and attention from a father figure she never came to know as a young girl Confusing love with lust and sex Going from stripping up north to getting bludgeoned down south She is confused and distraught as she is confronted with the choice of life and death in this emotional roller coaster ride that she calls life Based on True Events Driven by Love Emmanuel Nester, 2016-02-12 Going from being the boy who walks on water in everyone's eyes the boy loved by everyone in the community and the pride of his father's family to being evil incarnate the great Satan A snake to have its head cut off So much was invested in this boy for him to stay on a path that was walked by his family for many generations In the eyes of everyone around him taking this path was the only right thing to do There was no other way In this environment taking a different path meant being lost Regardless of the consequences Emmanuel made a decision to choose a different path after a great encounter with some far greater than his family and friends This decision was the start of a new life for Emmanuel for the first time he experienced treatment that was only reserved for enemies in his community Sometimes the right path is not the easiest one but it is worth it **Father Figure** Leandra Logan, 2011-07-15 How To Be A Father Manhattan millionaire Charles Fraser knew everything about closing a deal he knew nothing about being a father figure to a five year old boy in suburbia It was supposed to be simple answer the ad for a male influence stay two weeks and walk away no questions asked no one the wiser But one look at the dimpled boy and his bonafide angel of a mother and all that changed Rose wowed him with a fresh lemonade and porch swings and after one day Charles dreamed of Little League with Lucas and long summer nights with Rose He still knew nothing about being a father though suddenly he was willing to learn But what would happen when Rose found out who he was and why he was really there **From the Ashes** Erica Frye, 2015-11-30 I always thought I was normal I was an average student average daughter average teenager I had parents siblings a house and a dog I was handed the picket fence life yet something was terribly wrong I spent the majority of my teenage years remaining silent about my situation and my struggle but when I finally cried out for help God heard me He gave me the incredible gift of music as well as people to help support me and give me strength through my trials Now that I've been healed I find that I can't stay silent any longer This is my story of how God turned my hardest trials into my greatest triumphs A Common Struggle Patrick J. Kennedy, Stephen Fried, 2016-09-13 New York Times Bestseller Patrick J. Kennedy the former congressman and youngest child of Senator Ted Kennedy details his personal and political battle with mental illness and addiction exploring mental health care's history in the country alongside his and every family's private struggles On May 5 2006 the New York Times ran two stories Patrick Kennedy Crashes Car into Capitol Barrier and then several hours later Patrick Kennedy Says He'll Seek Help for Addiction It was the first time that the popular Rhode Island congressman had publicly disclosed his addiction to prescription painkillers the true extent of his

struggle with bipolar disorder and his plan to immediately seek treatment That could have been the end of his career but instead it was the beginning Since then Kennedy has become the nation s leading advocate for mental health and substance abuse care research and policy both in and out of Congress And ever since passing the landmark Mental Health Parity and Addiction Equity Act and after the death of his father leaving Congress he has been changing the dialogue that surrounds all brain diseases A Common Struggle weaves together Kennedy s private and professional narratives echoing Kennedy s philosophy that for him the personal is political and the political personal Focusing on the years from his coming out about suffering from bipolar disorder and addiction to the present day the book examines Kennedy s journey toward recovery and reflects on Americans propensity to treat mental illnesses as family secrets Beyond his own story though Kennedy creates a roadmap for equality in the mental health community and outlines a bold plan for the future of mental health policy Written with award winning healthcare journalist and best selling author Stephen Fried A Common Struggle is both a cry for empathy and a call to action

Torrent of Grace Williams, Mark Joseph,2024-12-18 [The Hunger Pains](#) The Harvard Lampoon,2012-02-07 Presents a humorous spoof on the novel The Hunger Games which follows the efforts of a young girl who is roped into a survival contest in order to save her community in a dystopian post apocalyptic world [Angela Carter](#) Aidan Day,1998-06-15 The first full scale study of Angela Carter s fiction with a broad though scholarly appeal [Buddy System](#) Geoffrey Greif,2008-08-29 Much has been made of the complex social arrangements that girls and women navigate but little scholarly or popular attention has focused on what friendship means to men Drawing on in depth interviews with nearly 400 men therapist and researcher Geoffrey L Greif takes readers on a guided tour of male friendships explaining what makes them work why they are vital to the health of individuals and communities and how to build the kinds of friendships that can lead to longer and happier lives Another 120 conversations with women help map the differences in what men and women seek from friendships and what if anything men can learn from women s relationships The guiding feature of the book is Greif s typology of male friendships he dispels the myth that men don t have friends showing that men have must trust just and rust friends A must friend is the best friend a man absolutely must call with earthshaking news A trust friend is liked and trusted but not necessarily held as close as a must friend Just friends are casual acquaintances while rust friends have a long history together and can drift in and out of each other s lives essentially picking up where they last left off Understanding the role each of these types of friends play across men s lives reveals fascinating developmental patterns such as how men cope with stress and conflict and how they make and maintain friendships and how their friends keep them active and happy Through the lively words of men themselves and detailed profiles of men from their twenties to their nineties readers may be surprised to find what friendships offer men as well as their families and communities and are sure to learn what makes their own relationships tick

crime mystery and family drama for Dedra Kare With villains of dysfunction at the mercy of her detective skill clever nature and counter manipulation will Dedra also catch serial killer Karma Book 1 Remember to Forget After a celebrity suffers a big crime in a small town Hollywood pressure sets in for immediate answers As clues disappear and detectives suffer the media s wrath a surveillance tape reveals a eye witness to the whole crime But their teenage native Dedra Kare has just one problem retrograde amnesia With a medical remedy to unlock it all detectives suffer the extra mystery as to why her parents are refusing to give consent What does Dedra not know that she possibly could And will she ever as a teenager Is she somehow involved in the actual crime And would leaking her potential make Dedra a target for someone else determined to silence her memory for good With her hidden yearbook a missing autograph and her tricky little sister it s an unfamiliar race down memory lane with the traffic of mystery The shortcuts of insistence are offers from sidekicks to pranksters to worse But as justice becomes impatient and family demands loyalty Dedra faces a memorable dilemma should she move past the past explore it fully or remember to forget Book 2 Punished By Silence When a twin girl goes missing an anonymous request for the Clue Queen herself is granted But Detective Dedra Kare finds the obstacles of her own past in this case first She must emotionally outrun her flashbacks as the current investigation turns into a game of Hide and Seek but on a legal field of child custody narcissistic parenting and a single teddy bear But with every hidden motive playing too is Dedra the one who s IT Book 3 The Shotgun s Wedding It s a very different shotgun wedding as a future in law is murdered the night before the wedding And son in law is arrested before flying away to the honeymoon destination The town suspects his bachelor party which he never attended was a planned alibi Gun smoke fills the air with a runaway bride a clever psychologist dangerous shenanigans and another in law in law It s a cozy mini mystery rematch with Detective Dedra Kare Book 4 Amplified Weapon After a mysterious death occurs Hollywood s Oscars event is held for ransom by its very own movie star for a behind the scenes battle for the unedited truth of whodunit It s a media sized tug of war both for and against a show that might not go on this time Experience a mystery laced drumroll please chess match of wits with characters like movie director Simon Says visitor Mr Squeaky Kleen a mysterious janitor a frightened make up artist and a Most Wanted serial family tree chopper named Timber Book 5 Karma s Collection It s an all out final battle on memory lane as Clue Queen pursues the clever serial killer Karma With his extra collection of Karma style pranks and courtroom twisters this righteous psychopath has criminals escaping to jail by choice 7 years since her last detective case with a sidekick of doubt can Dedra outsmart the pattern of what goes around and come around to her own separate path of redemption A new marriage a new divorce and a present scandal heightens the already high whodunit range Smart Alec The Shenanigans Judge Mintall Wendal and even Clue Queen herself

Fathers, Fathering, and Fatherhood Adelaida R. Del Castillo, Gibrán Güido, 2021-04-29 Bringing together a unique collection of narrative accounts based on the lived experience of queer Chicano Mexicano sons this book explores fathers fathering and fatherhood In many ways the contributors reveal the significance of fathering and representations of

fatherhood in the context of queer male sexuality and identity across generations cultures class and Mexican immigrant and Mexican American families They further reveal how father figures godfathers grandfathers and others may nurture and express love and hope for the queer young men in their extended family Divided into six sections the book addresses the complexity of father queer son relationships family dynamics the impact of neurodiverse mental health issues the erotic unsafe and taboo qualities of desire encounters with absent estranged or emotionally distant fathers and a critical analysis of father and queer son relationships in Chicano Latino literature and film

Poetry in the Dark Malcom Gordon, 2016-12-05 Poetry in the Dark is not an autobiography However I only write about things Ive endured With this book I hope to reach as many people as I can I want anyone who can relate to no longer feel alone The book tells the story of life thats ignored and suppressed stories of struggle and triumph loss and gain hope and doubt and love and hate

My Father and I David Caron, 2011-02-23 It is a living museum of a long gone Jewish life and supposedly a testimony to the success of the French model of social integration It is a communal home where gay men and women are said to stand in defiance of the French model of social integration It is a place of freedom and tolerance where people of color and lesbians nevertheless feel unwanted and where young Zionists from the suburbs gather every Sunday and sometimes harass Arabs It is a hot topic in the press and on television It is open to the world and open for business It is a place to be seen and a place of invisibility It is like a home to me a place where I feel both safe and out of place and where my father felt comfortable and alienated at the same time It is a place of nostalgia innovation shame pride and anxiety where the local and the global intersect for better and for worse And for better and for worse it is a French neighborhood from My Father and I Mixing personal memoir urban studies cultural history and literary criticism as well as a generous selection of photographs My Father and I focuses on the Marais the oldest surviving neighborhood of Paris It also beautifully reveals the intricacies of the relationship between a Jewish father and a gay son each claiming the same neighborhood as his own Beginning with the history of the Marais and its significance in the construction of a French national identity David Caron proposes a rethinking of community and looks at how Jews Chinese immigrants and gays have made the Marais theirs These communities embody in their engagement of urban space a daily challenge to the French concept of universal citizenship that denies them all political legitimacy Caron moves from the strictly French context to more theoretical issues such as social and political archaism immigration and diaspora survival and haunting the public private divide and group friendship as metaphor for unruly and dynamic forms of community and founding disasters such as AIDS and the Holocaust Caron also tells the story of his father a Hungarian Jew and Holocaust survivor who immigrated to France and once called the Marais home

My Father's Shadow David L. Dudley, 2016-11-11 In My Father's Shadow David L. Dudley explores a line of African American men's autobiographies starting with Frederick Douglass and moving on through Booker T. Washington W. E. B. Du Bois Richard Wright James Baldwin Eldridge Cleaver and Malcolm X In life these writers did not enjoy normal relationships with their fathers who were all unknown absent or abusive Damaged and damaging father-son relationships in childhood Dudley contends spill over into adult personal and artistic relationships clouding and complicating the already complex issue of identity that lies at the core of any autobiographical endeavor Dudley identifies a kind of inter-generational Oedipus conflict each rising autobiographer seeks through his text to displace his predecessor in order to gain imaginative space for himself as well as a position of authority in the black and

sometimes white community As each writer strives to come to terms with the powerful father figure in the black male autobiographical tradition he also wrestles with the larger issue of his own identity in relation to the literary and cultural traditions in which he lives and writes Dudley also traces the triumph of these writers as they establish their own identity in the face of great personal and societal odds My Father s Shadow is an important contribution to the study of African American literature history politics and culture It will also serve as an examination of the experiences of seven writers as they struggle with what it means to be a black man and a black writer in America *Broken Chains* Counselor

Judy,2015-09-29 Winston Churchill once said that success consists of going from failure to failure without loss of enthusiasm I have always looked to inspirational quotes like this to get me through hardships and Churchills words are no exception Over the years I have learned firsthand that I like everyone else am not perfect Instead of allowing my failures to discourage me I have come to see them as learning experiences that have enlightened me and shaped me into the individual I have finally come to love and respect All things in life have a silver lining Through my failures I have become a more efficient problem solver I have gathered the strength to move forward in life and accomplish things I never thought possible This is the story of my life It was not an easy story for me to tell since I am a product of childhood abuse and family neglect I had to come to overcome my shame of being abused but I knew that by not telling the story I would forever remain a victim To become a survivor I had to speak out about what I endured In the early years I developed coping mechanisms like denial and the repression of feelings At the time this was the only way I could survive the harmful effects of my childhood traumas Seeing firsthand how judgmental people can be deterred me from being open with others about who I was and what I had experienced But eventually I realized that silence and these coping mechanisms I was implementing were keeping me from becoming a healthy individual I began by examining the ways in which my childhood either adversely affected or actually helped me I had to ask myself many painful questions Could I become the good mother I was never shown to be Was I able to break the chains of abuse and neglect Could I finally stop the cycle and show future generations that there is hope that life could be filled with love and free from abuse My children were my lightning rod the reason that I pursued emotional health They made me realize that I had to finally open up and speak out publicly I finally understood that I could make the difference in the lives of others and be a positive influence for someone else Oh how I wish I had had such a person in my childhood But I have learned that my troubled past is not only a part of me it has shaped me into who I have become When I counsel others and hear all the stories I am struck by how many people are still troubled by their painful childhoods and their own personal stories of abuse and neglect Whats remarkable though is that now I am able to focus solely on what they are going through I dont think any more about what I endured rather I think about how I can help I have finally become the person I have always wanted to become in large part because I have learned to accept respect and love myself This knowledge has enabled me to accept respect and love others I believe that we all go through some sort of failures in life and

at times many of us have fallen into a cycle of abuse The only difference between those that stay in that cycle and those that break those chains is personal responsibility I believe that we all have the potential to break the chains of abuse and neglect The key factor is whether we chose to do something about it *Vedanta* Osho,2007 Discourses on the Ak yupani ad by an Indian sectarian religious leader

In Search of Bill Clinton John D. Gartner,2008-09-16 What makes Bill Clinton tick William Jefferson Clinton the 42nd President of the United States is undoubtedly the greatest American enigma of our age a dark horse that captured the White House fell from grace and was resurrected as an elder statesman whose popularity rises and falls based on the day s sound bytes John Gartner s *In Search of Bill Clinton* unravels the mystery at the heart of Clinton s complex nature and why so many people fall under his spell He tells the story we all thought we knew from the fresh viewpoint of a psychologist as he questions the well crafted Clinton life story Gartner a therapist with an expertise in treating individuals with hypomanic temperaments saw in Clinton the energy creativity and charisma that leads a hypomanic individual to success as well as the problems with impulse control and judgment which frequently result in disastrous decision making He knew though that if he wanted to find the real Bill Clinton he couldn t rely on armchair psychology to provide the answer He knew he had to travel to Arkansas and around the world to talk with those who knew Clinton and his family intimately With his boots on the ground Gartner uncovers long held secrets about Clinton s mother the ambitious and seductive Virginia Kelley her wild life in Hot Springs and the ghostly specter of his biological father Bill Blythe to uncover the truth surrounding Clinton s rumor filled birth He considers the abusive influence of Clinton s alcoholic stepfather Roger Clinton to understand the repeated public abuse he invited both by challenging a hostile Republican Congress and engaging in the clandestine affair with Monica Lewinsky that led to his downfall Of course there is no marriage more dissected than that of the Clintons both in the White House and on the Hillary Clinton presidential campaign trail Instead of going down familiar paths Gartner looks at that relationship with a new focus and clearly sees in Hillary s molding of Clinton into a more disciplined politician the figure of Bill Clinton s stern grandmother Edith Cassidy the woman who set limits on him at an early age Gartner brings Clinton s story up to date as he travels to Ireland the scene of one of Clinton s greatest diplomatic triumphs and to Africa where his work with AIDS victims is unmatched to understand Clinton s current humanitarian persona and to find out why he is beloved in so much of the world while still scorned by many at home John Gartner s exhaustive trip around the globe provides the richest portrait of Clinton yet a man who is one of our national obsessions *In Search of Bill Clinton* is a surprising and compelling book about a man we all thought we knew

Fathers and Daughters in Shakespeare and Shaw Lagretta Lenker,2001-04-30 How can the most silent member of the family carry the message of subversion against venerated institutions of state and society Why would two playwrights writing 300 years apart employ the same dramatic methods for rebelling against the establishment when these methods are virtually ignored by their contemporaries This book considers these and similar questions It examines the historical similarities of the eras in which

Shakespeare and Shaw wrote and then explores types of father daughter interactions considering each in terms of the existing power structures of society These two dramatists draw on themes of incest daughter sacrifice role playing education and androgyny to create both active and passive daughters The daughters literally represent a challenge to the patriarchy and metaphorically extend that challenge to such institutions as church and state The volume argues that the father daughter relationship was the ideal dramatic vehicle for Shakespeare and Shaw to advance their social and political agendas By exploring larger issues through the father daughter relationship both playwrights were able to avoid the watchful eyes of censors and comment on such topics as the divine right of kings filial bonds of obedience and even regicide
