

My favourite meal, by Jonathan Jones

My favourite meal is breakfast. From Monday to Friday I go to school early **so** I have a quick breakfast. I usually have cereals with milk or sometimes I have toast and jam, **but** the weekend is different!

On Saturdays and Sundays, my dad cooks an English breakfast for everyone in our family. A typical English breakfast is egg, bacon, sausages, tomatoes, mushrooms and baked beans (beans in tomato sauce). Then we have toast and jam. I drink orange juice **and** my mum and dad drink tea or coffee. I love breakfast at the weekend **because** I have breakfast with my whole family.

Works of Henry Fielding Henry Fielding,William Ernest Henley,1903 You and Me Michael S. Ryan,Kristen Herrington,2021-09-28 You and Me is a laugh out loud compilation of travel stories by husband and wife creatives Michael S Ryan and Kristen Herrington From the textured rainforest of Costa Rica to the streets of Bangkok this book is about the journey of falling in love at times beautifully evocative and at others wildly amusing The authors give tips for wary travellers and show quite definitely how wandering down the street following your nose is better than following the guidebook every time Ryan and Herrington are true adventurers unafraid of diving head first into the spontaneity of the moment They don their backpacks to hike a volcano in flip flops sprint through airports encounter foreign drug dealers and take you places you ve never imagined The book is a perfect fit for readers who want to learn the art of people watching and get out of resorts and into the busy marketplace It is a gem for anyone planning their first trip overseas or simply wanting to escape into the myriad of destinations without leaving their armchair **Death in a Shallow Pond** David Edmonds,2025-09-23 From the bestselling coauthor of Wittgenstein s Poker a fascinating account of Peter Singer s controversial drowning child thought experiment and how it changed the way people think about charitable giving Imagine this You re walking past a shallow pond and spot a toddler thrashing around in the water in obvious danger of drowning You look around for her parents but nobody is there You re the only person who can save her and you must act immediately But as you approach the pond you remember that you re wearing your most expensive shoes Wading into the water will ruin them and might make you late for a meeting Should you let the child drown The philosopher Peter Singer published this thought experiment in 1972 arguing that allowing people in the developing world to die when we could easily help them by giving money to charity is as morally reprehensible as saving our shoes instead of the drowning child Can this possibly be true In Death in a Shallow Pond David Edmonds tells the remarkable story of Singer and his controversial idea tracing how it radically changed the way many think about poverty but also how it has provoked scathing criticisms Death in a Shallow Pond describes the experiences and world events that led Singer to make his radical case and how it moved some young philosophers to establish the Effective Altruism movement which tries to optimize philanthropy The book also explores the reactions of critics who argue that the Shallow Pond and Effective Altruism are unrealistic misguided and counterproductive neglecting the causes of and therefore perpetuating poverty Ultimately however Edmonds argues that the Shallow Pond retains the power to shape how we live in a world in which terrible and unnecessary suffering persists *The Dublin University Calendar* Trinity College (Dublin, Ireland),1920
