My God And Father Concerning Our Heavenly Father:

My God and Father Godsword Onu,2015-01-06 My God and Father is the Creator and Maker of all beings and things The One Who gave us His Only Begotten Son what will He not give us The Father cares for us Think of the life health air protection and other things He gave us God is a Good God He that feeds the birds of the air and clothes the lilies of the field with such glory with He not feed and clothe us Not one of our hairs will fall out without His Permission If an earthly father knows how to give good gifts to his children how much more the Good Loving Gracious and Merciful God We are heirs of God and joint heirs with Jesus Christ The Father is the Greatest of All and Lord over all the universe All beings and things are under Him therefore if you belong to our Family congratulations *Our Heavenly Father's Plan* R. Ray Gibson,2017-08-28 This is a guide toward understanding Jesus Christ s restored church and it teaches Christ s original gospel doctrines that were lost because of the apostasy and because of the many revisions made by uninspired church leaders after Christ s death on through the dark ages These teachings are found today in His restored church called the Church of Jesus Christ of Latter Day Saints *My God Favored Me with My Twelve-Step Recovery Wishes* Wanda Scovers,2016-08-19 I am truly blessed and honored that my God breathed on me that my Christ Jesus spoke through me that my Holy Spirit inspired me and that I was chosen by the Trinity to be their disciple to write *My God Favored Me with My Twelve Step Recovery Wishes* However I boast not in myself but entirely in my Heavenly Father in my Christ Jesus and in my Holy Spirit who all favored me and will favor you also if you will allow yourself to be their servant I am a born again Christian and I thank my Heavenly Father for never giving up on me when I was living in the world because the lifestyle I was living could have killed me but my God had other plans for my life Thank you Heavenly Father for your unconditional love for me for never giving up on me and for giving me a second chance in life *Touching Stories of My Life in Journey to Christian Holiness and Hands- on Patient Care in a Weeping Healthcare* Ramsis F. Ghaly FACS, MD,2019-08-26 This is the twelfth book of the series *Christianity and the Human Brain* It integrates the neuroscience and the Bible the Holy Book of our Lord Jesus My love for our Lord Jesus Christ abides with my lifetime passion for neurosurgery and medicine my continual obsession of spiritual connectivity of the Holy Spirit to the human brain that indeed separates mankind from all other living creation It has been my belief that the human brain does not limit itself to the physical skull but rather extends in a nonphysical form to the outside spiritual world even while living on earth In other words a big part of the human brain is actually outside the skull and the body As I perform brain surgeries for three decades I realize my theory is so true The majestic human brain can t be just the 1 500 grams of jelled matter inside the skull The human journey therefore is transforming the human brain to become a brain of a man of God and the hand of man to a hand of a man of God The spiritual human brain never dies only the flesh It is the center of my calling and unrelenting meditations while roaming in the heartfelt spirit lacking the physical proof that science demand of me My life is dedicated to my Lord Jesus patients and residents As a physician I have reached the top in America I am a professor of both

neurological surgery and anesthesiology and I am well published in famous medical journals As an academic teacher I trained for more than thirty four years graduating thousands of trainee But all is nothing as I strive for the Christian holiness and fullness In a weeping healthcare with many patients falling victims I included actual patients miracles testimonials and sincere quotes as a testament to the Almighty and the dire need for faith and integral goodhearted medicine This book is full of many vibrant stories that I love to share It is timely since I consider my generation soon will be viewed obsolete to the future generations and what will remain are the books I authored The book is a text of wealth covering broad and diverse topics of my life s journey in 134 chapters and organized over 14 sections So many chapters are written about my special love for Lord Jesus Christ and His children In poems deep reflections and spiritual release of mind I wrote extensively In fact I shut my senses and impersonated the human brains of the men of God and the children of the Most High in their prominent biblical stories A special section is dedicated to the mothers newborns and little children While my soul is grieving a section is designated on the ongoing Christian persecution especially the genocide of Christians in my country Egypt the ancient region of the Middle East and the oldest historic continent of Africa Furthermore I wrote some of my dreams and thoughts that I couldn t otherwise convey for one reason and another such as neuroscience in aerospace and some of the timely touching subjects like drug overdose human trafficking and healthcare crises Few chapters included are about my personal views and introducing spirituality into the recent turmoil in politics Friends human life starts with love and ends with eternal love for our Savior It is never enough to share our love write about love and talk about actual love stories of heavenly roses joy Christmas healing touch miracles and our calling for his purpose This is what my twelfth book is all about XXII. Christ on the Cross. An Exposition of the Twenty-Second Psalm. By the Rev. John Stevenson. [With the Text.] ,1842 Thoughts on the Gospel of Jesus Christ. By a lay-member of the Church of England [J. Chawkat Moucarry,2021-10-06 How to love your Muslim neighbor Islam is the second most popular and fastest growing religion in the world Islam and Christianity share some common commitments but there are crucial differences However the greatest barrier to dialogue is that Christians and Muslims often misunderstand each other Do you understand Islam In What Is Islam Chawkat Moucarry compares the teachings of Islam and Christianity on the most essential issues such as the Bible God Jesus sin and forgiveness Muhammad and God s kingdom Moreover Moucarry dispels the many myths and misconceptions that both religions hold about the other paving the way for charitable discussion Understand how the gospel is good news for everyone The Questions for Restless Minds series applies God s word to today s issues Each short book faces tough questions honestly and clearly so you can think wisely act with conviction and become more like Christ The Golden Harp Luther Orlando

Emerson, 1858 *Me and My God* David T. Peckham, 2013-06-18 The motive for writing this book is threefold Section One The Fatherhood of God is because of my burning desire to get to know my heavenly Father in a more personal way In Section Two I want to share thoughts on our Spiritual Adoption into the family of God The reality that I have not only been Born Again by the grace of God but also adopted as a son into His family is most precious to me and is the reason I can call Him Abba Father Section Three This My Son is the story of my restitution to God after twenty three years of prodigal living The longsuffering and faithfulness of God is evidenced in no clearer way than in the manner in which the father welcomed home his prodigal son By incorporating these three subjects under one heading is fulfilling a need in my life I do not wish to leave the impression that to know God is merely an academic exercise it is not To love Him is to know Him and to know Him is to love Him **Setting the Spiritual Clock** Paul Louis Metzger, 2020-11-15 Various Christian traditions mark their calendars to reflect the biblical and ecclesial narrative and enhance public worship Such efforts safeguard against secularization's encroachment in the church's life Setting the Spiritual Clock serves as a guide and traveling companion for the liturgical year which circles the glorious Son as he breaks through the secular eclipse *The Liturgy and the Offices of Worship and Hymns of the American Province of the Unitas Fratrum, Or the Moravian Church* Moravian Church in America, 1908
